

Full Title of the Project: Diversion of 12.7808 Ha Forest (Mangroves) for the proposed construction of 5th and 6th lines between Borivali to Virar stations by Mumbai Railway Vikas Corporation Ltd. (MRVC).

File No. : FP/MH/RAIL/145390/2021

Date of Proposal:

Employment Generation Note

The construction phase of the project is spread over a period of 48 months. During this period the manpower / labour will be needed to work as mason, beldar, bhisti, carpenter, coolie, fitter, crane operator etc. Due to this project, the local population will get the employment based on the skills they have. About 6700 persons per day are likely to work during the peak periods. In the post construction phase the project will provide social benefits in terms of direct employment by generating large number of jobs in various position both in supervisory and non-supervisory positions.
