Dear Sir

Gujarat Gas Limited (GGL) is the company owned by the Government of Gujarat engaged in process to set up Piped Natural Gas (PNG) distribution network in all major Cities, District/Taluka Headquarters in entire Gujarat State. PNG is an eco-friendly gas and an alternative of Kerosene/LPG.

Gujarat Gas Limited (GGL) has planned to lay pipeline to set up gas distribution network in Petlad & Khambhat surrounding area of Taluka Khambhat, Borsad, Petlad and Sojitra in Anand District to supply the Natural gas to en-route consumers. The dia meter (P.E. pipeline) is 90 mm / 125 mm dia. The company shall follow all the best standards of safety and inspection practices as is prevalent in the Gas Distribution Industry

A. H. GADHVI
Deputy Conservator of Forest
Social Forestry Division
Anand.

...2...

Details of pipeline laying Along & Across **SH-16 & MDR in Khambhat Taluka, SH-89 in Borsad Taluka, SH-89, SH-83 & Petlad Branch Canal in Petlad Taluka & SH-83 in Sojitra Taluka** which has been declared as Protected Forest are furnished below.

For laying purpose 0.40 m width is proposed for the pipeline parallel and crossing **SH-16 & MDR in Khambhat Taluka, SH-89 in Borsad Taluka, SH-89, SH-83 & Petlad Branch Canal in Petlad Taluka & SH-83 in Sojitra Taluka** are in Anand District. With this provision of **0.40 m width and 15984.00 m length** is required for parallel and across various roads. Total **0.6394 Ha** of area is required in Protected Forest for pipeline laying parallel and crossing various roads in Anand District.

It is stated here that the protected forest through which the pipeline along / across **SH-16 & MDR in Khambhat Taluka, SH-89 in Borsad Taluka, SH-89, SH-83 & Petlad Branch Canal in Petlad Taluka & SH-83 in Sojitra Taluka** is taken such a way that minimum / no tree cutting is involved.

The forest lands as identified by us are included in the application. However, if any area is left out, the same may please be included. The Route Map of above said parallel / across Gas Distribution is enclosed herewith for your reference.

It will be worthy to state here that the pipeline will be laid at minimum 1.2 m below ground level. The upper lands will be open for normal movement.

Necessary application, along with Annexure in Six sets is submitted herewith for persual and recommendation to grant permission to lay the pipeline. We are willing to pay compensation for compensatory afforestation and also Net Present Value (NPV), etc. as per rules and has given undertaking as required.

This is a time bound project, contributing to National prosperity and part of "**Vibrant Gujarat**" for Socio-economic and infrastructure development of Piped Natural Gas Network in Anand District and surrounding areas. Therefore most expeditious actions are requested to recommend and to grant the permission for right of way and also permission to remove the obstructing trees if any along the route.

Thanking you

Yours Sincerely,
For Gujarat Gas Limited.,

(Vipul Patel)
Senior Officer (ROU)
