

We have uploaded the CLU in the additional information column which has been approved by chairperson DLCC/Deputy Commissioner, Panchkula and issued by Municipal Commissioner Panchkula, as our land is less than 1 acre and falls in MC limit. CLU from DTP is issued only if our Land had been more than one acre and falls outside MC limit. You might not have known of this law.

Moreover, CLU is issued when multiple departments, one of them being PWD Haryana, issues feasibility report on the portal, so no separate NOC is issued by PWD Haryana or DTP Panchkula, if any NOC Performa is available with you, please send to us.

Also, we have uploaded a note of justification from our side already on the portal in D(i) but if it has to be written in a certain way or some additional info is required, we request you to intimate us with its Performa in such a case.
