With Ref to the above the application was forwarded vide Ref(1) for approval to construct 30.00mtrs wide road along the Survey No:52 & 53 of Panathur Village, Varthur 2 Hobli, Survey No:109 of Gunjurpalya Village, Varthur 1 Hobli, Bangalore East Taluk, Bangalore Urban District. As per the Letter dated:29/07/2021 from your kind self some remarks were made to clarify from our end as per the SI No:2 of Ref(3) it was given that the alternative alignment should have been shown for choosing them instead of the forest land, based on that it was surveyed the entire area and the alternative routes available are 10.35Kms and 6.44Kms of ALT-1 and ALT-2 respectively is more than the proposed alignment .The alternative alignment adjacent to the forest is having human habitats, So there is no alternative alignment for the proposed road.

Thanking You
