No. Extd/MUIP/AKN/Forest/185/15

Date: 28/12/2015

To,  
Deputy Conservator of Forest Thane,  
LBS Road,  
Teenhath Naka, Naupada,  
Thane (W).

**Sub:** Development of Road from Thane Belapur Road to NH4- Forest Clearance.

Sir,

The proposal for Forest Clearance for above subjected work is submitted. As per provisions, compensatory land needs to be provided for the equivalent area affected by the project. MMRDA here by under takes to give the land of area equal to land affected by road construction for compensatory afforestation. The proposal for the said land is already processed in our office & final approval is expected in a short time.

Since the above mention project is vital infrastructure project taken up by Govt. of Maharashtra which is aimed to reduce traffic congestion in the area; its timely implementation is very essential. Considering this you are requested to process the proposal & grant the required clearance.

Thanking you.

Yours faithfully,

**Executive Engineer**
