**To :** Nodal Officer, Aranya Bhawan, Panjabari. Guwahati, Assam.  
**Subject:** Justification for Dayalpur field.

ONGC has planned to drill 18 new wells from 03 nos. of cluster locations. All the 03 locations are new locations and fresh land is to be acquired for drilling. New wells to be drilled are

1. Cluster-1 (DPDA, DPDB, DBDC, DPDE, DPDF and DPDG)
2. Cluster-2 (DPDD, DPDH, DPDI, DPDJ, DPDK and DPDL)
3. Cluster-3 (DPDM, DPDN, DPDO, DPDP, DPDQ and DPDR)

All the location were released by ONGC as development locations. All the 18 nos. of wells falls in Dayang Reserve Forest of Golaghat District.

Cluster-1 location falls under Golaghat District PML of a total 52.12 sq.km. Petroleum and Mining Lease for Golaghat District PML is issued by Government of India vide order No. Expl-12027(11)/259/2017-EXPL-II-PNG Dt. 22<sup>nd</sup> June 2018.

Cluster-2 & 3 location falls under Kasomarigaon PML of a total 20 sq.km. with grant of Petroleum Mining Lease from Government of Assam vide officer order No. PEM/114/2015/23 Dt. 14<sup>TH</sup> Feb. 2017.

The purpose of drilling new 18 nos. of wells from 03 locations is to develop Dayalpur filed and to produce Crude Oil and Natural gas from the Dayalpur filed. As Crude Oil and Gas field of Dayalpur falls below the Dayang Reserve Forest area, wells are to be drilled from this 03 locations.
