DETAIL OF PROJECT NOTE

There is a proposal to **C/O Ambulance Road From Ghillu to Shakrogda RD 0/0 to 2/400**. The forest land is required for Diversion of 0.5944 Hect. There 0.0619 Hect. is non-forest land involve. Local people are agree to give there land for the construction of road. In said area, there is no facility of link road due to which public of area is facing great inconvenience. The public has raised the demand to construct this road in the interest of large public so that any misshaping of human being during illness may not occur. There is no alternative to construct this road except forest area because it is already constructed/violated road. This road will serve maximum 500 persons as a beneficiary. Estimated cost of the project (Rupees in Lacs) : 50.00. Also during the construction of said road employment of about 1500 man days is likely to be generated. About 0-310 persons will be benefited from the construction this road.

Construction of this road /project is available to bring the benefits of development to target village that have remained deprived of their benefits long. As such location of the project in the forest land is justified and proposed alignment of road is finalized.
