**ALTERNATE SITES CONSIDERED TO MINIMISE THE USE OF FOREST LAND FOR CONSTRUCTION OF LINK ROAD FROM CHINTPURNI TALWARA ROAD (JHURNI MOD) TO NANGAL VIA SUNEHAT JABBRE, TEHSIL JASWAN KOTLA, DISTRICT KANGRA**

**ALTERNATIVE-I**

The proposed alternative involves construction of link road from Chintpurni Talwara Road (Jhurni Mod) to Nangal via Sunehat Jabbre in Tehsil Jaswan Kotla, District Kangra. The area proposed for diversion is 1-39-53 Hactare of forest land.

Feature considered:

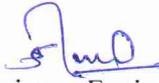

- The land proposed is barren land and there already exists a Kutcha road which would be widened.
- Forest land involved to the tune of 1-39-53 Hectares.
- No disturbance to the stable slope & green cover.
- No felling of trees is involved in the proposal.

**ALTERNATIVE- II & ALTERNATIVE III**

Since there exists a Kutcha road having width of 5 to 6 Mtrs, no other alternative has been investigated. However existing road needs to be widened to full road width of 5 to 7 mtrs.

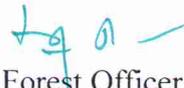

Keeping in view the necessity situation, the **alternative- I**, which is more suitable and environmental friendly, has been finally adopted.
