

Specific recommendations of :
the DCF for acceptance or
otherwise of the proposal with
reasons.

The forest land proposed for the diversion of a 50 Bedded Integrated AYUSH Hospital & Homeopathy Medical Collage at Keirao Awaching is located near the Nongmaiching Reserved Forest, in a private forest land. The Hospital shall provide the much needed medical services especially in the field of AYUSH and Homeopathy in the state of Manipur and also provide opportunities to pursue careers in these fields to the youths of the state of Manipur. Hence, the proposed diversion is recommended on the condition that the User Agency shall take care of the cut hill walls by providing concrete and vegetative re-enforcements on these walls to arrest soil erosion.
