UNDERTAKING

(To comply with conditions proposed by the Forest Department)

We do hereby undertake to comply and implement that following conditions, at the project cost as per the demand raised by the Divisional Forest Officer, Nalgonda with respect to the proposal for diversion of 1.481 Ha of Forest land in Nalgonda Forest Division for laying of drinking water pipeline and construction of other structures for Telangana Drinking Water Supply Project (Segment – 5).

1. The trench work will be carried manually for laying the pipeline.
2. The debris generated due to the proposed activity will be taken out from the forest land and care will be taken to see that there will not be any leftover material on the forest floor.
3. The cost for executing the Soil and Moisture Conservation works, if any, will be paid as per the scheme prepared by the DFO, Nalgonda.
4. Cost of raising of plantation and with 10 years of maintenance over 1.481 ha of degraded forest land will be paid as per the scheme prepared by the DFO, Nalgonda.

Superintending Engineer,
TDWSP(RWS&S)Circle, Hyderabad
