Addl. Principal Chief Conservator of Forest
Aranya Bhavan, Salt Lake City,
Kolkata

Sub: Response Letter Against Queries Dated 16-Nov-21

Proposal No: FP/WB/Others/145926/2021

Sir,

Non Forest area is not available within a stretch of 500-1000 Mtrs of the either side of proposed Location at Mongpong 10 Compartment.

The Entire area of the location is under Forest Department, Army, Railway & Oil India Limited (for Pipeline). The location proposed for installation of Tower is a blank forest area without any trees from an average distance of 25-30 Mtr from the Road. The tree less area as seen in Satellite/Google Earth may be the unauthorized cultivation land of local peoples which is belongs to Indian Rail/OIL beside Railway embankment.

The nominal (Lat/Long) for Installation of Tower falls in the forest areas those are such that cannot be given up or compromised.

So just to provide mobile network in the area of Mongpong 10 Compartment area which is at present lacking. This site proposed for installation of tower is considered as Strategic site for Installation of Tower & Road & Railway Connectivity for the said purpose along Mongpong otherwise area will be under shadow Zone.

Kindly Consider our Proposal.
