15017/46/2018-P&M dated 31.01.2020, Government of Rajasthan may now accord Administrative Approval for new projects included in the list of works finalized by MoRT&H for the specified costs.

4. The technical approval and financial sanction (TA & FS) shall be accorded by the executive agency within a period of four months from the date of administrative approval of the work failing which the work shall be deemed to have been de-sanctioned, unless the approval of State government for extending validity of administrative approval is obtained. There shall not be any change in scope of work from those as per administrative approval.

5. The details of the sanction of the work and abstract of cost estimate shall be forwarded to the Central Government. The Central Government reserves all the authority and right to excluded any approved work under this Fund, in case, if the executive agency fails to comply any of the provisions of the CRIF Act, 2000 and the guidelines issued thereon.

6. No excess cost beyond 10% of the amount administratively approved for the proposal shall be permissible.

7. The standard design and specifications of the works proposed shall follow the relevant guidelines, codes, IRC specifications and the period of completions of the projects shall not exceed 24 months unless permitted by the State Government.

8. Govt. of Rajasthan shall furnish the quarterly progress report, expenditure report and Utilisation certificate in the prescribed format. The State Government shall send completion report or certificate duly verified by the audit as soon as the works are completed and positively within a period of three months from the date of completion of the works to the MoRT&H.

9. Additional financial implications, if any, beyond entitled fund allocation shall be fully borne by the Govt. of Rajasthan.

10. The agency charges shall not be payable for execution of works under the scheme.

11. It is mandatory to record Inventory and condition of Road using Network Survey Vehicle (NSV) at least before start of the work, before issue of provisional completion/completion certificate, and 6 months after completion of work; however, for State Highways (SHs), urban roads and urban bypass roads, the data shall be updated thereafter once every year. It shall be specifically mentioned in the completion certificate that Inventory and condition of Road have been recorded using NSV before start of work, & before issue of provisional completion/completion certificate.

12. The assigned above job no. may be quoted in all future correspondence related to above works.

Yours faithfully,

(Kamal Parkash)

Under Secretary to the Government of India
