Memo No.:2023-2/98

Date: 18th of November 2021

TO WHOMSOEVER IT MAY CONCERN

The alignment-1 can't be considered because felling of trees will be required during execution of the project which may cause significant damage to existing forest and wildlife. Moreover because of underground boulder deposition along the alignment-1, the implementation of the project will be difficult. Thereby alingnment-1 stands rejected.
