

Name of Work :- Construction of Channi Bridge Elakamata to Jalsu Jot K.M. 0/0 to 17/0

Sr No	Name of Village	Village code	Population
1	Surei (Surehi)	00141800	71

In this regard, It is clarified that the Proposed Construction of Channi Bridge Elakamata to Jalsu Jot K.M 0/0 to 17/0 is to be constructed. The road portion from Nanyagram toward Channi Bridge is under construction .The proposed Road from Channi Bridge Elakamata to Jalsu Jot take off from Village Surehi to Jalsu Jot (Pass) jurisdiction of Chamba Distt. Jalsu Jot (Pass) to onward portion falls under Distt. Kangra (H.P) There is no village from Surehi to onward ie (JALSU JOT which is pass)

There are number of villages back of surehi village which have to be benefitted by the construction of this road ,with reference to your letter referred if all villages back of surehi village are mentioned then the forest /non forest land shall not be tallied as per observation point 3

Hence where the road take off only village has been shown so that forest/ non forest area is to be tallied

Hence by the construction of this road, whole Bharmour Tribal Valley of Distt. Chamba will be connected with Distt. Kangra (H.P) as well as state Capital through shortest route.
