

DETAIL NOTE ABOUT THE PROJECT

Full title of the Project:- Diversion of 2.178 hect. of forest land for the construction of Panyala to Tiun Khas road km. 0/0 to 5/500 in Tehsil Ghumarwin Distt. Bilaspur H.P. within the jurisdiction of forest Division Bilaspur H.P.

File No.FP/HP/road/20153/2016

Date of Proposal:-01-07-2016

The total length of the road is 5.500 K.M. out of which 3.630 Km road passes through the forest land and the rest of the road i.e 1/870 Km road passes through the private land. The total land involved for diversion is 2.178 hect. and the rest of the land is private land.

With the construction of this road there will be direct connectivity to village Panyala and Tiun Khas falls in Gram Panchayat Kothi to Sub-Divisional Head quarter.

Presently people of the area have to travel on foot. This road will provide facility to the people to cart their crops and other products to the market. The existing track from Km. 1/870 to 5/500 i.e 3.630 km track in forest land has been constructed by the Forest Department as Fire line prior to 1980. The road has been prioritized by M.L.A. Ghumarwin Constituency. The road will benefit 1248 souls of village Panyala and Tiun Khas.

The ill effect on the environment, which are anticipated due to construction of this road have been taken care. All the debris shall be used in filling on the surface of the road improve the depressed portion of the road and behind retaining walls. Debris shall not be thrown toward valley side of the road. The proper provision has been made to minimize the soil erosion in the catchment area by proper drainages and soil conservation measure. The compensatory afforestation shall be carried out to compensate for the loss of forest land in the construction of road. Thus every care has been taken to minimize the ill effect on the environment.
