9. Liberty and power for or in connection with any of the purposes mentioned in this Part and subject to the existing rights of others and save as provided in clause (3) of Part III of this Schedule to clear undergrowth and brushwood and to fell and utilise any trees or timber standing or found on the said lands provided that the State Government may ask the lessee/lessees to pay for any trees or timber felled and utilised, by him/them at the rates specified by the Deputy Commissioner/Collector or the State Government. To clear brushwood and to fell and utilise trees etc.

### PART III

#### RESTRICTIONS AND CONDITIONS AS TO THE EXERCISE OF THE LIBERTIES, POWERS AND PRIVILEGES IN PART II

1. No building or thing shall be erected set up or placed and no surface operations shall be carried on in or upon any public pleasure ground burning or burial ground or place held sacred by any class of persons or any house or village site public road or other place which the State Government may determine as public ground nor in such a manner as to injure or prejudicially affected any buildings works property or rights of other persons and no land shall be used for surface operations which is already occupied by persons other than the State Government for works or purposes not included in this lease. The lessee/lessees shall not also interfere with any right of way, well or tank.

2. Before using for surface operations any land which has not already been used for such operations, the lessee/lessees shall give to Deputy Commissioner/Collector of the District two calendar months' previous notice in writing specifying the name or other description of the situation and the extent of the land proposed to be so used and the purpose for which the same is required and the said land shall not be so used if objection is made. Permission for surface operations in a place not already in use.

For The Deputy Commissioner/Collector,  
(General Division)

*John William Smith*

issued by the Deputy Commissioner/Collector within two months after the receipt by him of such notice unless the objections so stated shall on reference to the State Government be annulled or waived.

To cut trees in unre-served lands.

3. The lessee/lessees shall not without the express sanction of the Deputy Commissioner/Collector cut down or injure any timber or trees on the said lands but may without such sanction clear away any brushwood or under-growth which interferes with any operations authorised by these presents. The Deputy Commissioner/Collector or the State Government may require the lessee/lessees to pay for any trees or timber felled and utilised by him/them at the rates specified by the Deputy Commissioner/Collector of the District.

To enter upon reserved forests.

4. Notwithstanding anything in this Schedule contained the lessee/lessees shall not enter upon any reserved forest included in the said lands without previous sanction in writing of the District Forest Officer nor fell cut and use any timber or trees without obtaining the sanction in writing of that Officer nor otherwise than in accordance with such conditions as the State Government may prescribe.

No mining operations within 50 metres of public works etc.

5. The lessee/lessees shall not work or carry on or allow to be worked or carried on any mining operations at or to any point within a distance of 50 metres from any railway line except with the previous written permission of the Railway Administration or from any reservoir, canal or other public works such as public roads and buildings or inhabited site except with the previous written permission of the Deputy Commissioner/Collector or any other officer authorised by the State Government in this behalf and otherwise than in accordance with such instructions restrictions and conditions either general or special which may be attached to such permission. The said distance of 50 metres shall be measured in the case of railway reservoir or canal horizontally from the outer toe of the bank or the outer edge of the cutting as the case may be and in case of a building horizontally from the plinth thereof. In the case of village roads no working shall be carried on within a distance of 10 metres of the outer edge of the cutting except with the previous permission of the Deputy Commissioner/Collector or any other officer duly authorised by the State Government in this behalf and otherwise than in accordance with such directions, restrictions and additions, either general or special, which may be attached to such permission.

*Explanation.*—For the purposes of this clause the expression "Railway Administration" shall have the same meaning as it is defined to have in the Indian Railway Act, 1890. clause (b) of section 3 of that Act. "Public Road" shall mean a road which has been constructed by artificially surfaced as distinct from a track resulting from repeated use. Village road will include any track shown in the Revenue record as village road.

Facilities for adjoining Government licences and leases.

6. The lessee/lessees shall allow existing and future holders of Government licences or leases over any land which is comprised in or adjoins or is reached by the land held by the lessee/lessees reasonable facilities of access thereto:

PROVIDED THAT no substantial hindrance or interference shall be caused by such holders of licences or leases to the operations of the lessee/lessees under these presents and fair compensation (as may be mutually agreed upon or in the event of disagreement shall be decided by the State Government) shall be made to the lessee/lessees for all damage sustained by the lessee/lessees by reason of the exercise of his rights.

#### PART IV

#### LIBERTIES, POWER AND PRIVILEGES RESERVED TO THE STATE GOVERNMENT

To work other minerals.

1. Liberty and power for the State Government or to any lessee or persons authorised by it in that behalf to enter into and upon the said lands and to search for win work dig get raise dress process convert and carry away minerals other than the said minerals and any other substances and for those purposes to sink drive make erect construct maintain and use such pits shafts inclines drifts levels and other lines waterways airways water-courses drains reservoirs engines machinery plant buildings canals tramways railways roadways and other works and conveniences as may be deemed necessary or convenient.

PROVIDED THAT in the exercise of such liberty and power no substantial hindrance or interference shall be caused to or with the liberties, powers and privileges of the lessee/lessees under these presents and that fair compensation (as may be mutually agreed upon or in the event of disagreement as may be decided by the State Government) shall be made to the lessee/lessees for all loss or damage sustained by the lessee/lessees by reason or in consequence of the exercise of such liberty and power.

2. Liberty and power for the State Government or any lessee or person authorised by it in that behalf to enter into and upon the said lands and to make upon over or through the same any railways, tramways, roadways or pipelines for any purpose other than those mentioned in Part II of these presents and to get from the said lands stones, gravel earth and other materials for making, maintaining and repairing such railways, tramways and roads or any existing railways and roads and to go and repass at all times with or without horse, cattle or other animals, carts, wagons, carriages, locomotives or other vehicles over or along any such railways, tramways, roads lines and other ways for all purposes and as occasion may require, provide that in the exercise of such liberty and power by such other lessee or person no substantial hindrance or interference shall be caused to or with the liberties, powers and privileges of the lessee/lessees under these presents and that fair compensation as may be mutually agreed upon or in the event of disagreement as may be decided by the State Government shall be made to the lessee/lessees for all loss or damage sustained by the lessee/lessees by reason or consequence of the exercise by such lessee or person of such liberty and power.

To make railways and roads.

## PART V

### RENTS AND ROYALTIES RESERVED BY LEASE

1. The lessee shall pay, for every year, except the first year of the lease yearly dead rent as specified in clause 2 of this part in respect of each minerals :

To pay dead rent or royalty whichever is greater.

Provided that the lessee shall be liable to pay the dead rent or royalty in respect of each mineral whichever is higher in amount but not both.

2. Subject to the provisions of clause (1) of this Part, during the subsistence of the lease, the lessee/lessees shall pay to the State Government annual dead rent at the following rate/rates or at such revised rate/rates which may be communicated in writing to the lessee/lessees by the State Government per mineral per hectare of the lands demised and described in Part I of this Schedule :—

Rate and mode of payment of dead rent.

Name of mineral	Dead rent fixed per hectare Ra.	Area of demised land Hectares	Dead rent payable Ra.	Total dead rent payable in a year Ra.
Limestone				
1. 1st Year	Nil	643.62	Nil	Nil
2. 2nd to 5th Year	12.50	"	8045.25	8045.25
3. 6th to 10th Year	25.00	"	16090.50	16090.50
4. 11th to 20th Year	37.50	"	24135.75	24135.75

subject to the revision of rates to time

(Here insert the manner in which and the time at which the dead rent, surface rent and water rate should be paid).

Dead Rent and Surface Rent to be paid yearly by 15th January of each year.

Rate and mode of payment of royalty.

3. Subject to the provision of clause (1) of this Part, the lessee/lessees shall during subsistence of this lease pay to the State Government at such times and in such manner as the State Government may prescribe royalty in respect of any mineral/minerals removed by him/them from the leased area at the rate for the time being specified in the Second Schedule to the Mines and Minerals (Regulation and Development) Act 1957. Royalty for Limestone @ Rs.2.50 per tonne six monthly account, 30th June & 31st December by 1st July and 1st Jan.

4. The lessee/lessees shall pay rent and water rate to the State Government in respect of all parts of the surface of the said lands which shall from time to time be occupied or used by the lessee/lessees under the authority of these presents at the rate of Rs.100/- per hectare Rs. 100 per hectare annually per annum

Payment of surface rent and water rate.

(Cement Division)

Collector, Chaudhary

ment of such occupation or use until the area shall cease to be so occupied or used and shall as far as possible restore the surface land so used to its original condition. Surface rent and water rate shall be paid as hereinbefore detailed in clause (2) PROVIDED THAT no such rent/water rate shall be payable in respect of the occupation and use of the area comprised in any roads or ways to which the public have full right of access.  
1) S R equal to Non Agri-Assessment, 2) Water rates not exceeding the Land Revenue, 3) Z.P. & PART VI G.P. cesses assessable on the land Revenue (subject to the revision of rates from time to time).

#### PROVISIONS RELATING TO THE RENTS AND ROYALTIES

**Rent and Royalties to be free from deduction etc.** 1. The rent, water rate and royalties mentioned in Part V of the Schedule shall be paid free from any deductions to the State Government at ~~the same manner~~ and in such manner as the State Government may prescribe PROVIDED ALWAYS and it is hereby agreed that Rs. 1000/-..... the balance standing to the credit of the lessee/lessees on account of the deposit made by him/them as a licensee/licensees over an area which included the said lands shall be retained and accepted by the State Government in satisfaction of the rents and royalties mentioned in Part V until they reach that amount.

**Mode of computation of royalty.** 2. For the purposes of computing the said royalties the lessee/lessees shall keep a correct account of the mineral/minerals produced and despatched. The account as well as the weight of the mineral/minerals in stock or in the process of export shall be checked by an officer authorised by the Central or State Government.

(Here specify the mode of arriving at sale price/prices at pits mouth of the mineral.)

**Course of action if rents and royalties are not paid in time.** 3. Should any rent, royalty or other sums due to the State Government under the terms and conditions of these presents be not paid by the lessee/lessees within the prescribed time, the same may be recovered on a certificate of such officer as may be specified by the State Government by general or special order, in the same manner as an arrears of land revenue, together with the simple interest due thereon at the rate of 10% per annum.

#### PART VII

##### THE COVENANTS OF THE LESSEE/LESSERS

**Lessee to pay rents and royalties, taxes etc.** 1. The lessee/lessees shall pay the rent, water rate and royalties reserved by this lease at such times and in the manner provided in the PARTS V and VI of these presents and shall also pay and discharge all taxes, rates assessment and impositions whatsoever being in the nature of public demands which shall from time to time be charged, assessed or imposed by the authority of the Central and State Governments upon or in respect of the premises and works of the lessee/lessees in common with other premises and works of the like nature except demands for land revenues.

**To maintain and keep boundary marks in good order.** 2. The lessee/lessees shall at his/their own expense erect and at all times maintain in the plan annexed to this lease. Such marks and pillars shall be sufficiently clear shrubs and other obstructions as to allow easy identification.

**To commence operations within a year and work in a workman like manner.** 3. Unless the State Government for good cause permits otherwise, the lessee/lessees shall commence operation within one year from the date of execution of the lease and shall thereafter at all times during the continuance of this lease search for, win, work and develop the said minerals without voluntary intermission in a skilful and workmanlike manner and as prescribed under clause (12) hereinafter without doing or permitting to be done any unnecessary or avoidable damage to the surface of the said lands or the crops buildings structures or other property thereon. For the purpose of this clause operations shall include the erection of machinery laying of a tramway or construction of a road in connection with the mine.

The Century Spg. & Mfg. Co. Ltd.  
(Cement Division)

Collector, Chandernagor

4. The lessee/lessees shall make and pay such reasonable satisfaction and compensation as may be assessed by lawful authority in accordance with the law in force on the subject for all damage, injury or disturbance which may be done by him/them in exercise of the powers granted by this lease and shall indemnify and keep indemnified fully and completely the State Government against all claims which may be made by any person or persons in respect of any such damage, injury or disturbance and costs and expenses in connection therewith.

To indemnify  
all claims.

5. The lessee/lessees shall during the subsistence of this lease well and sufficiently secure and keep open with timber or other durable means all pits, shafts and workings that may be made or used in the said lands and make and maintain sufficient fences to the satisfaction of the State Government round every such pit, shaft or working whether the same is abandoned or not and shall during the same period keep all workings in the said lands except such as may be abandoned accessible free from water and foul air as far as possible.

To secure and keep  
in good condition  
pits, shafts, etc.

6. The lessee/lessees shall strengthen and support to the satisfaction of the Railway Administration concerned or the State Government, as the case may be any part of the mine which in its opinion requires such strengthening or support for the safety of any railway, reservoir, canal road and any other public works or structures.

To strengthen and  
support the mine to  
prevent any accident.

7. The lessee/lessees shall allow any officer authorised by the Central Government or the State Government in that behalf to enter upon the premises including any building, excavation or land comprised in the lease for the purpose of inspecting, examining, surveying, prospecting and making plans thereof sampling and collecting any data and the lessee/lessees shall with proper person employed by the lessee/lessees and acquainted with the mines and work effectually assist such officer, agents, servants and workmen in conducting every such inspection and shall afford them all facilities information connected with the working of the mines which they may reasonably require and also shall and will conform to and observe all orders and regulations which the Central and State Governments as the result of such inspection or otherwise may from time to time see fit to impose.

To allow inspection  
of workings.

8. The lessee/lessees shall without delay send to the Deputy Commissioner/Collector a report of any accident causing death or serious bodily injury or serious injury to property or seriously affecting or endangering life or property which may occur in the course of the operations under this lease.

To report accident

9. The lessee/lessees shall report to the State Government the discovery in the leased area of any mineral not specified in the lease within sixty days of such discovery along with full particulars of the nature and position of each such find. If any mineral not specified in the lease is discovered in the lease area, the lessee/lessees shall not win and dispose of such mineral unless such mineral is included in the lease or a separate lease is obtained therefor.

To report discovery  
of other minerals.

10. The lessee/lessees shall at all time during the said term keep or cause to be kept at an office to be situated upon or near the said lands correct and intelligible books of accounts which shall contain accurate entries showing from time to time :-

To keep records of  
accounts, production,  
sales, etc.

- (1) Quantity and quality of the said mineral/minerals realised from the said lands.
- (2) Quantity of the various qualities of ores beneficiated or converted (for example coal converted into coke.)
- (3) Quantities of the various qualities of the said mineral/minerals sold and exported separately.
- (4) Quantities of the various qualities of the said mineral/minerals otherwise disposed of and the manner and purpose of such disposal.
- (5) The prices and all other particulars of all sales of said mineral/minerals.
- (6) The number of persons employed in the mines or works or upon the said lands specifying nationality, qualifications and pay of the technical personnel.

(7) Such other facts, particulars and circumstances as the Central or the State Governments may from time to time require and shall also furnish free of charge to such officers and at such times as the Central and State Governments may appoint true and correct abstract of all or any such books of accounts and such information

and returns to all or any of the matters aforesaid as the State Government may prescribe and shall at all reasonable times allow such officers as the Central Government or State Government shall in that behalf appoint to enter into and have free access to the said officers for the purpose of examining and inspecting the said books of accounts plans and records and to make copies thereof and make extract therefrom.

To maintain plans  
etc.

11. The lessee/lessees shall at all times during the said term maintain at the mine office correct intelligible up-to-date and complete plans and sections of the mines in the said lands. They shall show all the operations, and workings and all the trenches, pits and drillings made by him/them in the course of operations carried on by him/them under the lease, fault and other disturbances encountered and geological data and all such plans and sections shall be amended and filled up by and from actual surveys to be made for that purpose at the end of twelve months or any period specified from time to time and the lessee/lessees shall furnish free of charge to the Central and State Governments true and correct copies of such plans and sections whenever required. Accurate records of all trenches, pits and drillings shall show :—

(a) The sub-soil and strata through which they pass.

(b) Any mineral encountered.

(c) Any other matter of interest and all data required by the Central and State Governments from time to time.

The lessee/lessees shall allow any officer of the Central or the State Government authorised in this behalf by the Central Government, to inspect the same at all reasonable times. He/they shall also supply when asked for by the State Government/the Coal Controller/the Director, Geological Survey of India/The Controller, Indian Bureau of Mines, a composite plan of the area showing thickness, dip, inclination etc. of all the seams as also the quantity of reserves quality-wise.

Act LXVII of 1957.

12. The lessee/lessees shall be bounded by such rules as may be issued from time to time by the Government of India under Section 18 of the Mines and Minerals (Regulation and Development) Act, 1957 (Act LXVII of 1957) and shall not carry on mining or other operations under the said lease in any way other than as prescribed under these rules.

To provide weighing  
machine.

13. Unless specifically exempted by the State Government the lessee/lessees shall provide and at all times keep at or near the pit head or each of the pit heads at which the said minerals shall be brought to bank a properly constructed and efficient weighing machine and shall weigh or cause to be weighed thereon all the said minerals from time to time brought to bank, sold, exported and converted and also the converted products and shall at the close of each day cause the total weights, ascertained by such means of the said minerals, ores, products raised sold exported and converted during the previous twenty-four hours to be entered in the aforesaid books of accounts. The lessee/lessees shall permit the State Government at all time during the said term to employ any person or persons to be present at the weighing of the said minerals as aforesaid and to keep accounts thereof and to check the accounts kept by the lessee/lessees. The lessee/lessees shall give seven days previous notice in writing to the Deputy Commissioner/Collector of every such measuring or weighing in order that he or some officer on his behalf may be present thereat.

To allow test of  
weighing machine.

14. The lessee/lessees shall allow any person or persons appointed in that behalf by the State Government at any time or times during the said term to examine and test every weighing machine to be provided and kept as aforesaid and the weights used therewith in order to ascertain whether the same respectively are correct and in good repair and order and if upon any such examination or testing any such weighing machines or weights shall be found incorrect or out of repair or order the State Government may require that the same be adjusted, repaired and put in order by and at the expense of the lessee/lessees and if such requisition be not complied with within fourteen days after the same shall have been made, the State Government may cause such weighing machine or weights to be adjusted, repaired and put in order and the expense of so doing shall be paid by the lessee/lessees to the State Government on demand and if upon any such examination or testing as aforesaid any error shall be discovered in any weighing machine or weights to the prejudice of the State Government such error shall be regarded as having existed for three calendar months previous to the discovery thereof or from the last occasion of so examining and testing the same weighing machine and weights in case such occasion shall be within such period of three months and the said rent and royalty shall be paid and accounted for accordingly.

15. The lessee/lessees shall make and pay reasonable satisfaction and compensation for all damage injury or disturbance of person or property which may be done by or on the part of lessee/lessees in exercise of the liberties and power granted by these presents and shall at all times save harmless and keep indemnified the State Government from and against all suits claims and demands which may be brought or made by any person or persons in respect of any such damage injury or disturbance.

To pay compensation for injury to third parties.

16. The lessee/lessees will exercise the liberties and powers hereby granted in such a manner as to offer no unnecessary or reasonably avoidable obstruction or interruption to the development and working within the said lands of any minerals not included in this lease and shall at all times afford to the Central and State Governments and to the holders of prospecting licences or mining leases in respect of any such minerals or any minerals within any land adjacent to the said lands as the case may be reasonable means of access and safe and convenient passage upon and across the said lands to such minerals for the purpose of getting working developing and carrying away the same provided that the lessee/lessees shall receive reasonable compensation for any damage or injury which he/they may sustain by reason or in consequence of the use of such passage by such lessees or holders of prospecting licences.

Not to obstruct working of other minerals.

17. (1) The lessee/lessees shall not, without the previous consent in writing of the State Government,—

Transfer of lease.

(a) assign, sublet, mortgage or in any other manner, transfer the mining lease, or any right, title or interest therein, or

(b) enter into or make any arrangement, contract or understanding whereby the lessee/lessees will or may be directly or indirectly financed to a substantial extent by, or under which the lessee's operations or undertakings will or may be substantially controlled by, any person or body of persons other than the lessee/lessees ;

\* Provided that the State Government shall not give its written consent unless —

(a) the lessee has furnished an affidavit along with his application for transfer of the mining lease specifying therein the amount that he has already taken or proposes to take as consideration from the transferee ;

(b) the transfer of the mining lease is to be made to a person or body directly undertaking mining operations.

(2) Without prejudice to the above provisions, the lessee/lessees may, subject to the conditions specified in the proviso to rule 35, of said rules transfer this lease or any right, title or interest therein, to a person holding a certificate of approval and an income-tax clearance certificate from the Income-tax Officer concerned, on payment of a fee of rupee one hundred to the State Government ;

Provided that the lessee/lessees shall make available to the transferee the original or certified copies of all plans of abandoned working in the area and in a belt 65 metres wide surrounding it.

(3) The State Government, may, by order in writing, determine the lease at any time if the lessee/lessees has/have in the opinion of the State Government, committed a breach of any of the above provisions or has/have transferred the lease or any right, title or interest therein otherwise than in accordance with clause (2) :

Provided that no such order shall be made without giving the lessee/lessees a reasonable opportunity of stating his/their case.

18. The lease shall not be controlled and the lessee/lessees shall not allow themselves to be controlled by any Trust, Syndicate, Corporation, Firm or person except with the written consent of the Central Government. The lessee/lessees shall not enter into or make any arrangement compact or understanding whereby the lessee/lessees will or may be directly or indirectly financed by or under which the lessee/lessees' operations or undertakings will or may be carried on directly or indirectly by or for the benefit of or subject to the control of any Trust, Syndicate, Corporation, Firm or person unless with the written sanction given prior to such arrangement compact or understanding being entered into or made of the Central Government and any or every such arrangement compact or understanding as aforesaid (entered into or made with such sanction as aforesaid) shall only be entered into or made and shall always be subject to an express condition binding upon the other party

Not to be financed or controlled by Trust Corporation Firm or person.

L 1358-3a For The Collector, District, G.D.

(General Division)

J. V. Narain / 11/11/11

Collector, Chanderprabha

or parties thereto that on the occasion of a state of emergency of which the President of India in his discretion shall be the sole Judge it shall be terminable if so required in writing by the State Government and shall in the event of any such requisition being made be forthwith thereafter determined by the lessee/lessees accordingly.

Lessee shall deposit any additional amount necessary.

19. Whenever the security deposit of Rs. 1,000/Rs. 500 or any part thereof or any further sum hereafter deposited with the State Government in replenishment thereof shall be forfeited or applied by the Central or State Government pursuant to the power in hereinafter declared in that behalf the lessee/lessees shall deposit with the State Government such further sum as may be sufficient with the unappropriated part thereof to bring the amount in deposit with the State Government up to the sum of Rs. 1,000/Rs. 500.

Delivery of working in good order to State Governments after determination of lease.

20. The lessee/lessees shall at the expiration or sooner determination of the said term or any renewal thereof deliver upto the State Government all mines pits shafts inclines drifts levels waterways airways and other works now existing or hereafter to be sunk or made on or under the said lands except such as have been abandoned with the sanction of the State Government and in any ordinary and fair course of working all engines machinery plant buildings structures other works and conveniences which at the commencement of the said term were upon or under the said lands and all such machinery set up by the lessee/lessees below ground which cannot be removed without causing injury to the mines or works under the said lands (except such of the same as may with the sanction of the State Government have become disused) and all building and structures of bricks or stone erected by the lessee/lessees above ground level in good repair order and condition and fit in all respect for further working of the said mines and the said minerals.

Right of pre-emption.

21. (a) The State Government shall from time to time and all times during the said term have the right (to be exercised by notice in writing to the lessee/lessees) of pre-emption of the said minerals (and all products thereof) lying in or upon the said lands hereby demised or elsewhere under the control of the lessee/lessees and the lessee/lessees shall with all possible expedition deliver all minerals or products or minerals purchased by the State Government under the power conferred by this provision in the quantities at the times in the manner and at the place specified in the notice exercising the said right.

(b) Should the right of pre-emption conferred by this present provision be exercised and a vessel chartered to carry the minerals or products thereof procured on behalf of the State Government or the Central Government be detained on demurrage at the port of loading the lessee/lessees shall pay the amount due for demurrage according to the terms of the charter party of such vessel unless the State Government shall be satisfied that the delay is due to causes beyond the control of the lessee/lessees.

(c) The price to be paid for all minerals or products of minerals taken in pre-emption by the State Government in exercise of the right hereby conferred shall be the fair market price prevailing at the time of pre-emption PROVIDED THAT in order to assist in arriving at the said fair market price the lessee/lessees shall if so required furnish to the State Government for the confidential information of the Government particulars of the quantities and of charters entered into for freight for carriage of the same and shall produce to such officer or officers as may be directed by the State Government original or authenticated copies of contracts and charter parties entered into for the sale or freightage of such minerals or products.

(d) In the event of the existence of a state of war or emergency (of which existence the President of India shall be the sole Judge and a notification to this effect in the Gazette of India shall be conclusive proof), the State Government with the consent of the Central Government shall from time to time and all times during the said term have the right (to be exercised by a notice in writing to the lessee/lessees) forthwith take possession and control of the works plant machinery and premises of the lessee/lessees on or in connection with the said lands or operations under this lease and during such possession or control the lessee/lessees shall conform to and obey all direction given by or on behalf of the Central Government or State Government regarding the use or employment of such works plants premises and minerals PROVIDED THAT fair compensation which shall be determined in default of agreement by the State Government shall be paid to the lessee/lessees for all loss or damage sustained by him/them by reason or in consequence of the exercise of the powers conferred by this clause and PROVIDED ALSO that the exercise of such powers shall not determine the said term hereby granted or affect the terms and provisions of these presents further than may be necessary to give effect to the provisions of this clause.

... lessee/lessees shall not employ, in connection with the mining operations any person who is not an Indian National except with the previous approval of the Central Government.

Employment of Indian national.

23. If any of the works or matters which in accordance with the covenants in that behalf hereinbefore contained are to be carried out or performed by the lessee/lessees be not so carried out or performed within the time specified in that behalf, the State Government may cause the same to be carried out or performed and the lessee/lessees shall pay the State Government on demand all expenses which shall be incurred in such carrying out or performance of the same and the decision of the State Government as to such expenses shall be final.

Recovery of expenses incurred by State Government.

24. The lessee/lessees shall furnish :—

(a) all geophysical data relating to mining fields or engineering and ground water surveys such as anomaly maps, sections, plans, structures, contour maps, logging, collected by him/them during the course of mining operations to the Director, Geological Survey of India, Calcutta.

Furnishing of geophysical data.

(b) all information pertaining to investigations of radio active minerals collected by him/them during the course of mining operations to the Secretary, Department of Atomic Energy, New Delhi.

Date or information referred to above shall be furnished every year reckoned on the date of commencement of the period of the mining lease.

## PART VIII

### THE COVENANTS OF THE STATE GOVERNMENT

1. The lessee/lessees paying the rents, water rate and royalties hereby reserved and observing and performing all the covenants and agreements herein contained and on the part of the lessee/lessees to be observed and performed shall and may quietly hold and enjoy the rights and premises hereby demised for and during the term hereby granted without any unlawful interruption from or by the State Government or any person rightfully claiming under it.

Lessee/lessees may hold and enjoy rights quietly.

2. If in accordance with the provision of clause (4) of Part VII of this Schedule the lessee/lessees shall offer to pay to an occupier of the surface of any part of the said lands compensation for any damage or injury which may arise from the proposed operations of the lessee/lessees and the said occupier shall refuse his consent to the exercise of the right and powers reserved to the State Government and demised to the lessee/lessees by these present and the lessee/lessees shall report the matter to the State Government and shall deposit with it the amount offered as compensation, and if the Central/State Government are satisfied that the amount of compensation offered is fair and reasonable or if it is not so satisfied and the lessee/lessees shall have deposited with it such further amount as the State and Central Governments shall consider fair and reasonable the State Government shall order the occupier to allow the lessee/lessees to enter the land and to carry out such operations as may be necessary for the purpose of this lease. In assessing the amount of such compensation the State Government shall be guided by the principles of the Land Acquisition Act.

Acquisition of land of third parties and compensation thereon.

3. Where the mining lease relates to any mineral not specified in Schedule I to the Act it shall be renewable for one period not exceeding the period specified in sub-section (2) of section 8, at the option of the lessee/lessees :

To renew.

Provided that the State Government may be for reasons to be recorded in writing reduce the area applied for.

If the lease is in respect of minerals specified in Schedule I to the Act, renewal will be subject to the prior approval of the Central Government.

If the lessee/lessees be desirous of taking a renewed lease of the premises hereby demised or of any part or parts of them for a further term from the expiration of the term hereby granted and is otherwise eligible he/they shall prior to the expiration of the last mentioned term give to the State Government six calendar months previous notice in writing

*Sanjiv Narain*

*W. S. Chandra*

and shall pay the rents, rates, and royalties hereby reserved and shall observe and perform the several covenants and agreements herein contained and on the part of the lessee/lessees to be observed and performed up to the expiration of the term hereby granted. The State Government on receipt of application for renewal, shall consider it in accordance with Rule 28 of the said rules and shall pass orders as it deems fit. If renewal is granted, the State Government will at the expense of the lessee/lessees and upon his executing and delivering to the State Government if required a counterpart thereof execute and deliver to the lessee/lessees a renewed lease of the said premises or part thereof for the further term of 10 years at such rents, rates, and royalties and on such terms and subject to such rents, rates and royalties and on such terms and subject to such covenants and agreements, including this present covenant to renew as shall be in accordance with the Mineral Concession Rules, 1960, applicable to limestone (name of minerals) on the day next following the expiration of the term hereby granted.

Liberty to determine the lease.

4. The lessee/lessees may at any time determine this lease by giving not less than 12 calendar months notice in writing to the State Government or to such officer, or authority as the State Government may specify in this behalf and upon the expiration of such notice provided that the lessee/lessees shall upon such expiration render and pay all rents, water rates, royalties, compensation for damages and other moneys which may then be due and payable under these presents to the lessor or any other person or persons and shall deliver these presents to the State Government then this lease and the said term and the liberties, powers and privileges hereby granted shall absolutely cease and determine but without prejudice to any right or remedy of the lessor in respect of any breach of any of the covenants or agreements contained in these presents.

4A. The State Government may on an application made by the lessee permit him to surrender one or more minerals from his lease which is for a group of minerals on the ground that deposits of that mineral have since exhausted or depleted to such an extent that it is no longer possible to work the mineral economically, subject to the condition that the lessee—

(a) makes an application for such surrender of mineral at least six months before

(b) gives an undertaking that he will not cause any hinderance in the working of the mineral so surrendered by any other person who is subsequently granted a mining lease for that mineral.

Refund of security deposits.

5. On such date as the State Government may elect within 12 calendar months after the determination of this lease or of any renewal thereof, the amount of the security deposit paid in respect of this lease and then remaining in deposit with the State Government and not required to be applied to any of the purposes mentioned in this lease shall be refunded to the lessee/lessees. No interest shall run on the security deposit.

## PART IX

### GENERAL PROVISIONS

Instructions to inspection.

1. In case the lessee/lessees or his/their transferee/assignee does/do not allow entry or inspection by the officers authorised by the Central or State Government under clause (i), (j), or (l) of sub-rule (1) of Rule 27 of said rules, the State Government shall give notice in writing to the lessee/lessees requiring him/them to show cause within such time as may be specified in the notice why the lease should not be determined and his/their security deposit forfeited; and if the lessee/lessees fails/fail to show cause within the aforesaid time to the satisfaction of the State Government, the State Government may determine the lease and forfeit the whole or part of the security deposit.

Penalty in case of default in payment of rent, water rate, royalty and breach of a breach of any of the conditions and covenants other than those referred to in current above.

2. If the lessee/lessees or his/their transferee or assignee makes/make any default in payment of rent, water rate, royalty or remedy the breach, as the case may be within sixty days from the date of receipt of the notice and if the rent, water rate and royalty are not paid or the breach is not remedied within such period, the State Government may without prejudice to any proceedings that may be taken against him/them, determine the lease and forfeit the whole or part of the security deposit.

Jai Narain Jain

Collector, Omandara

114

The grant of the above lease is subject to the terms and conditions mentioned below :-

- a) Mining Lease should be in respect of limestone only. If other minerals are found in association with limestone, they should be brought to the notice of Government and if the lessees desire to mine these minerals along with limestone, they should obtain a fresh mining lease for the minerals in question.
- b) Royalty at the following rates or the dead rent at the rate of Rs.12.50 per hectare per annum from 2nd year to 5th year, Rs.25.00 per hectare per annum from 6th year to 10th year, and Rs.37.50 per hectare per annum from 11th year to 20th year, whichever is greater shall be charged provided that dead rent shall not be payable for the first year of the lease.

Limestone - Two rupees & fifty paise per tonne.

Provided that the aforesaid rate of royalty payable at the rate for the time being specified in the second schedule to the mines and Minerals (Regulation and Development) Act, 1957, shall be revised as and when revised by the Govt of India and aforesaid rate of dead rent should be revised from time to time as and when revised by the Govt of India.

- c) The lessee, shall pay the following charges for the surface area used for mining operations:-

- i) charges for equal to non-agricultural ownership,
- ii) water rates not exceeding land revenue,
- iii) charges reasonable in the limit.

If any 'Proclamation' issued under Section 2 of the Atomic Energy Act of 1962 is found to exist in the property under the lease, the lessees shall take further action as required by the provisions of that Act.

- d) The lease shall be subject to the provisions of the Mines and Minerals (Regulation and Development) Act, 1957, the Mineral Conservation and Development Rules, 1958, and the Mineral Conservation and Development Rules, 1958.

- e) The lessees shall furnish to the Collector, Chandrapur, an accurate map of the area comprised. The Collector is authorised to get the map prepared after demarcation of the area if the lessee so desire and recover the cost from the lessees of Rs.1000/- (Rupees five hundred only) paid for preliminary expenses.

For the Collector, Chandrapur, Dist. Col. Ind.

11/11/1961

*J. N. N. N.*

For the Collector, Chandrapur

*S. N. N.*

- g) The lessees shall pay to the Collector, Chandrapur, necessary security deposit of Rs.1000/- (Rupees one thousand only) for due observance of the terms and conditions of the lease before the lease is issued to them.
- h) The lessees shall submit from time to time or when required progress reports to the Director of, Geology and Mining, Nagpur alongwith analysis and representative samples of the ores collected during the mining operations.
- i) The lessees shall employ a qualified geologist or a mining engineer after execution of the lease.
- j) The lessees shall pay the following -
- 1) The value of existing tree growth,
  - 2) The present tree growth can be said to cover 500 hectares. The cost of plantation of 500 hectares mines (i) above shall have to be paid by the lessees at the end of the lease period.
  - 3) During the lease period, the rent calculated on the basis of loss to the Forest Department shall have to be paid.
  - 4) The lessees shall take the responsibility for reclaiming the land after the lease period, so as to make the land suitable for plantations.
- k) Any other conditions imposed by Forest Department.
- l) The lessee shall set up a cement plant based on limestone deposits in this area and would use the limestone from this area exclusively for feeding the cement unit for which the lease has been granted, within a period of 3 years.

Additional Conditions regarding Forest Land :-

(As per Industries, Energy and Labour Department, Bombay letter No.MMN-1279/97028 (1956)/IND-9 dt. 20th January 1981).

- (i) ~~Separate conditions regarding recovery of the value of the existing tree growths is not necessary as the same is provided for in the standard agreement form.~~
- (ii) Government need not insist on recovering the capitalised value of the loss of forest revenue as the Company is agreeable to pay the cost of afforestation over 500 hectares.
- (iii) The conditions regarding the reclamation of the mined area should not be insisted upon and whatever provisions in this regard are made in the mining Rules should be sufficient.
- (iv) The Company shall pay to Government the cost of afforestation of 500 hectares in the following manner --
  - (a) Rs.12.50 lakhs for the entire 500 hectares at the time of signing the mining lease agreement with the Divisional Forest Officer,

( OR

- (b) At the rate of Rs.2500/- per hectares for 80% of the area actually handed over for mining within a period of 3 years from the date of signing the mining lease agreement. The cost of afforestation for the area/s to be subsequently handed over to the lessee will be charged at the rate/s to be determined by the Govt at the time of actual handing over of such portions to the lessee for mining purposes, the amount being calculated on 80% of the area so handed over.

(As per Industries, Energy and Labour Department Bombay letter No.MMN-1279/90728(1956)/IND-9, dated 24.4.1981.)

Subject to the Conditions that the permission for entering into forest land for mining as required by clause 4 in para III of the lease agreement will be granted by the Divisional Forest Officer, concerned only after receipt of Government of India's approval under Forest (Conservation) Ordinance, 1980.
