The Principal Chief Conservator
Cum -Nodal officer of Forests
Govt. of Bihar, Patna.

Sub: Submission of Forest clearance proposal for diversion of 69.178 Ha of Notified protected forest land for Widening/Up-gradation of existing Single/Intermediate lane to two Lane with earthen shoulders/paved shoulder configurations for Baysi-Bahadurganj- Dighalbank section of SH 99 (km 0.000 to km 73.840) in Bihar state.

Ref: Proposal No. FP/MH/ROAD/21381/2016

Sir,

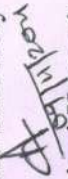

With reference to above, mentioned subject & reference, User Agency had submitted the Forest clearance proposal online on 13.09.2016 for diversion of 62.087 Ha. forest land. User agency had also submitted the hard copy of the forest clearance proposal to Concern DFO.

In the meanwhile, due to some technical issues project has been delayed and alignment has been revised at some locations to avoid the loss of productive agricultural land in proposed Bypass Section. Henceforth Bhadurganj Bypass has been deleted and it has been proposed to follow the existing Alternative alignment of NH-327E at Mahadeo Dighi Chowk for which widening & upgradation is not proposed (From Km 58/630 to Km 51/530). Instead now alignment is following Kishanganj- Bhadurganj Road (from km 24/000 to 25/740) and again to SH-99 (from KM 55/280 to 75/200).

As per updated Alignment, Forest area required for diversion is 69.178 ha. therefore, we are herewith submitting the revised forest proposal for the diversion of 69.178 ha. out of which 49.841 ha. of forest land (km 0.000 to 32.035) in Purnia District & 19.337 ha. of forest land (km 32.035 to km 73.840) in Kishanganj District.

Encl:- As above.

Yours Sincerely

(Anjani Kumar)
