

## CHECK LIST SERIAL NUMBER -9

CERTIFICATE FOR NON-AVAILABILITY OF ALTERNATIVE SUITABLE  
NON-FOREST LAND FOR THE PROJECT

Mineral based projects are site specific and the proposed project area for mining by Subhadra open cast project (25 MTY) is located on the forest area. The proposed area for the project has been proved to have a thick coal seam available at shallow depth for open cast mining. The project is a new one located adjacent to Hingula OCP.
