

ABSTRACT OF TREE LIST TO BE FELLED

The 430 Volt LT 3 Phase 4 wire line is proposed to be erected along the edge of the existing Right of way between Thoppampatti to Thozhukadu in Sirumalai North West Slope RF, Sirumalai Range in Thoppampatti Village, Dindigul District. Hence, there is no felling of trees involved in the proposed area.

However, TNEB will bear the cost of felling and transporting of trees if any involved.
