Sub: APTRANSCO- Construction Division, Anantapuramu- Electrical Route for Erection 220KV line from 220/132/33KV Boksampalli Substation to the KIA Motors project site near Erramanchi Village of Penukonda Mandal in Anantapuramu District- Conduction Village meeting as per ROFR Act-2006- Make resolution

A Village meeting was conducted in Panchayat office of Roddam mandal with villagers, the Forest Officers, APTRANSCO Staff discussed the following mater.

APTRANSCO doing electrical line work for Erection of 220KV line from 220/132/33KV Boksampalli Substation to the KIA Motors project site near Erramanchi Village of Penukonda Mandal in Anantapuramu District. There is no objection or damage or loss to schedule tribes, formers, villages by the electric supply to the mentioned work. No one of families of Shapuram, Kogira villages depend on forest for their lively hood. So the compartment number 669 exempted with ROFR Act-2006. In such locality there are no social rights for villages. Hence there is no objection for Erection 220KV line from 220/132/33KV Boxampalli Substation to the KIA Motors project site near Erramanchi Village of Penukonda Mandal in Anantapuramu District.
