Dear Sir,

We had applied for renewal of the Forest Clearance for 73.697 ha of forest land already diverted in respect of Sukinda Chromite Mine over 406 ha. You have issued the certificate under Forest Right Act, 2006 and the same was sent to the Divisional Forest Officer, Cuttack Forest Division vide Memo No 2200 dated 6.12.2012 (copy enclosed). Now we have been asked to submit Forest Diversion Proposal over 330.972 ha of forest land as on 25.10.1980. To comply with the provisions of the Schedule Tribes & Other Traditional Dwellers (Recognition of Forest Rights) Act, 2006, we are required to obtain a certificate for the above purpose from your good office.

The area of 330.972 ha of forestland comprises of only Government land and there is no privately owned land or encroachment. As such there has been no requirement of any rehabilitation and resettlement of any dwellers in the past and nor shall it be required in the future. The further details of the above mentioned area are enclosed as Annexure - I.

We therefore request you to kindly expedite the matter for issuance of the said certificates and forward the same to the Divisional Forest Officer, Cuttack Forest Division, Cuttack, for incorporation in our Forest Diversion Proposal for renewal of the Forest Clearance, which had been earlier granted.

Thanking you,

Yours faithfully,
