Respected sir

With reference of your office memo number 3848-56 date: - 14/03/2018. This is to your kind information that, I have inspected madan mohan aggarwal public school at village shergarh as regards of fire safety which is situated at half kilometres from D.A.V. school on choutala road. In this place Electrical wires are not crossing are fire tenders can reach easily. This is not prohibited zone area and building will be constructed as per rule of NBC part 4 revised 2016. After construction, all the safety measures will be inspected by competent authority and no objection certificate is sure to be taken by farm

If owners follow the all rules and regulations cited above. There can be no objection by this office.

Fire Station officer
Mandi Dabwali
