

COMPLIANCE TO EDS RAISED BY DFO ON 11.11.2022

This is to inform you that species wise abstract of tree enumeration list of total 20262 nos. for NH-6 (7.6 km stretch) project has to be submitted in online Part –II which is to be filled by the concerned DFO and not by the User Agency. In the current online Part-II of the project, only 6802 nos. of trees are submitted which is incorrect and should be corrected at your end through OFDC Ltd. The same may be communicated from your end to OFDC Ltd. for preparation of the species- wise and girth-wise abstract of tree enumeration list and submit the same to your office in 4 sets for further processing of the proposal.
