

JOINT INSPECTION OF Addl. Forest land for Luhri HEP stage-I

Diversion of Forest Land under Forest Division Anni at Luhri

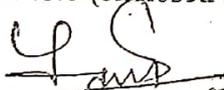

Joint Inspection of the additional forest land (0.9486 ha) proposed to be diverted for the construction of Moin Quarry Road for **Luhri HEP stage-I** under *Forest Division Anni at Luhri* in District Kullu (H.P.) has been carried out on 12/06/2019.

The user agency has proposed Luhri HEP stage-1 as a run-of-the River project on the Downstream of Rampur HEP. The Project envisages construction of 80m high concrete Dam located at Nirath, River diversion Tunnel 700m long, intake structure comprising of four (04) no. intakes & four (04) no. of penstocks proposed in the dam body itself, Surface toe power house on right bank with 4 Nos. Kaplan Turbine has been proposed with installed capacity of 210MW (2X80MW +2X25MW).

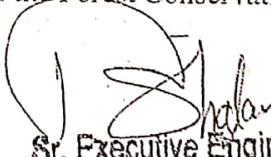

The additional forest land finalized for Moin Quarry Road for **Luhri HEP stage-I** is 0.9486Ha & falls on right bank of River Satluj in District Kullu under Anni at Luhri, Forest Division. The land identified shall be utilized for construction of road.

There is no scope of avoidance of forest land and diversion of 0.9486 ha of forest land under **Anni Forest division (at Luhri)** is the barest minimum and cannot be escaped.

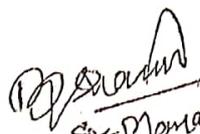

The Joint Inspection committee therefore recommends that 0.9486 ha of forest land as per **check list No.6 (enclosed as Annexure-1)** may be diverted under section 2 of the Forest Conservation Act 1980.
