

No. SE-IPHK-WS-WA-V-NOC/2016- 751-55
Government of Himachal Pradesh
IPH Department
Dated Kullu the 20th April, 2016.

To

The Executive Engineer,
IPH Division No.I Kullu.

Sub: - No Objection Certificate for revised Hamshu-I Small Hydel Power (0.80 MW to 2.00 MW) in Tehsil & District Kullu H.P.

Please refer to your office letter No. IPH-IDK-WA-NOC/2015- 5213-14 dated 30.07.2015 and even file No.12773-74 dated 19.11.2015 on the subject cited above for issuing revised NOC has been recommended in favour of M/S Hamshu-I Small Hydel Power village Bhulang. P.O. Fozal Tehsil & District Kullu-HP. The NOC for construction of above project is hereby accorded subject to the following terms and conditions: -

1. The firm shall enter into legal agreement with I&PH Department in this respect.
2. That the Chief Engineer (MZ), I&PH Department, Mandi shall be the sole adjudicator of any dispute arising during construction as well as subsequently and his decision shall be binding on all the parties.
3. In case, there is any scarcity of water due to drought or any other reason, the requirement of the IPH Department shall have precedence over the requirement of this Project.
4. The firm shall ensure that the quantum of minimum flow of water to be released and maintained throughout the year immediately downstream of the diversion-site is a threshold value of not less than 15% of the minimum in flow observed in the lean-season to the main river water-body whose water is being harnessed by this project. The firm shall also ensure adequate minimum environment flow in the river below the diversion-site to take care of aquatic life and ecology of the area.
5. The firm shall rehabilitate / repair/ compensate for the I&PH assets / water resource as well as Private Kuhls/ Irrigation schemes / Water Supply Schemes in case these are damaged or adversely affected due to construction of the Project.
6. Additional water required of the department in future in addition to the project demand will get priority over the requirements of the firm.
7. In addition to I&PH Department requirement, the firm will also satisfy the requirement of private users, if any.

8. That the department will have liberty to draw Water from **Pharari & Tundi Nallah a tributary of Beas river** (upstream and downstream) for construction of any irrigation and water supply schemes as and when required in future and if any schemes, sources of water at up and down stream of the HEP get affected, the executing agency will have to deposit the original cost of schemes including its remodeling and restoration, augmentation cost, as the case may be with the department in advance so as to make these facilities available to affected area for which the company will have no objection.
9. The present and future quantity of water for proposed WSS will be tapped by the department from **Pharari & Tundi Nallah a tributary of Beas river** upstream and downstream of the intake of the HEP and the department will have precedence over the requirement of the proposed project.
10. Company in rural area applying to the Department will not be granted water from our existing schemes unless the scheme has sufficient water and the Gram Sabha of concerned Gram Panchayat pass resolutions approving the same.
11. Permission to make alternative arrangements will be given subject to the condition that the arrangement will not be affected adversely or impact in existing water supply source being used by IPH Department and will be located at a sufficient distance from an existing ground water source and downstream of any existing surface water source. It will also require approval from concerned Gram Panchayats.
12. In the event of violation of the aforesaid terms and conditions of the NOC by the firm, the NOC shall be treated as cancelled.

The above NOC may be issued and ensure that there is no scheme affected anywhere up stream/downstream of the head weirs of said Small Hydel Power Project.
