Subject: Reply to Queries Regarding Diversion of 1.872 Hectares of Forest Land Proposal  
Number FP/RJ/ROAD/34657/2022

Sir,

With reference to your letter no. 3223 dated 18.11.2024 of office of Principal Chief Conservator of Forest regarding the diversion of 1.872 hectares of forest land, the queries raised by their office and their responses are provided in the following table for your kind reference:

Query No.	Query	Response
1	Revised NPV rates are taken, but the old NPV certificate has not been removed.	The old NPV rates have been removed. The new rates have been uploaded in Part II.
2	CA (Compensatory Afforestation) land is given in a single patch, but the CA scheme is submitted in two patches. Single CA scheme is required.	A single CA scheme has been uploaded.
3	Revised alternative routes have been submitted, but comments on encroachment in the forest area are still awaited.	No new encroachment will be allowed on any land nearby the road.
4	CCF mentioned and recommended the proposal with compliance of Penal, but DCF has not mentioned the violation in the proposal. Clarification is required.	A joint inspection of the road was conducted by Forest and PWD officials, and no violation was found by the user agency. The inspection report is attached.
5	The proposed area falls under Shahbad Upreti Conservation Reserve, but approval from CWLW has not been attached.	The comment of the CWLW has been sought, and the letter is attached.

Enclosed : As Under

Yours faithfully,  
Anil Yadav  
DCF Baran
