Letter No. 5414

Date: 09-6-21

Sub: Proposal for Grant of Permission to Jio Digital Fiber Private Limited for laying Optical Fiber Cable by HDD from Nurgur Bedi Balachour Ch 350 to Punjab Himachal Border From Nurgur bedi 31200 via Santokhgarh, Jattpur, Kartarpur, Hyatpur, Sukhemajra, Manak Majra, Barrian, Dumewal-Algran bridge-Bhallan - Nangran-Bhattoan-Sehjowal to Himachal Border (Santokhgarh).

Letter number JDFPL ROW / 20 dated 28-05-2021

In connection with the reference on the above subject, it is written to you that the amount required for the road cut to be made for laying OFC cable on the said road, with the letter under reference from you. Demand Draft No. 758630 dated 17-05-2021 amounting to Rs. 4,13,750/- and Bank Guarantee No. 401012102477 dated 15-05-2021 amounting to Rs.15,77,000/- has been deposited in the office.

NOC from Zilla Parishad / Forest Department before installing OFC Cable be taken

The OFC cable should be placed within the PWD's right of way.

In the approach to the bridges, the cable should be placed in the toe at the place with high embankment.

Pit and mainhall should be constructed in accordance with IRC requirements and its slab level should not be placed higher than Road Level.

If there is a structure or multiple obstruction in the path of the cable, You will be bound to change the route of the cable at your level.

The installation of the OFC cable should be done immediately after installation, so that no accident can happen.

You will be responsible if there is any loss of life or property while working.

If there is damage to the road or any structure of the road while working, you will be bound to repair it.

In future if the road is widened then you will remove the laid cable at your own level and you will not be entitled to any compensation.

The concerned Sub Divisional Engineer should be informed before starting of work

This cable should be laid at the end of Land Boundary of Public Works Department.

Executive engineer
Construction Department,
Rupnagar.

A copy of the above has been sent to Sub Divisional Engineer, Provincial Sub Division and Construction Sub Division D & M Branch, Sri Anandpur Sahib in connection with the back number of this office No. 4068-69 dated 03-05-2021 and 5192-93 dated 1-06 2021 sent for information.
