MOEE&F Reference Letter No.-8B/U.P/06/145/2022/F.C/242 Dated 14.07.2022

Dear Sir,
Please Refer MOEE&F reference Letter No .8B/U.P/06/145/2022/F.C/242 Dated 14.07.2022. Our reply are Given below:-

Sr. No.	Observation	Reply
1	Demarcation of the Proposed area for diversion in the kml file is undervalued. Some parts of the Protected area are demarcated as Non-Forest Land. This Needs Clarification/Rectification.	Please Review at the site because Proposed area for Diversion is Correct.
2	It appears from the Kml File that the ROB is already constructed and some additional area is required for Which this Proposal is Submitted. This needs Clarification.	ROB is being Constructed in Non Forest Land only in forest area no construction is going on.
3	CA Scheme for Plantation of 260 Plants needs to be Submitted along with all related documents.	Changed accordingly.
4	Administrative approval/Sanction Letter of the Project needs to be Provided	It is already attached in Our Proposal on Page 23-25.
