DETAIL NOTE ON THE PROJECT

The Administrative approval and expenditure sanction for providing Drinking Water Scheme in Daulatpur Jalari in Tehsil Kangra, District Kangra has been accorded amounting to Rs. 1778 Lacs. The Drinking Water scheme is proposed to provide water to 11 Revenue Villages of Kangra Tehsil in District Kangra. With the construction of this Drinking Water Scheme 3794 persons (as per Census 2011) shall be directly benefited. The employment likely to be generated shall be 12500 mandays and two persons shall get permanent employment due to construction of this scheme. There is huge scarcity of water in the area and the people depend on natural sources which are remotely located. In order to meet with their needs, Government of Himachal Pradesh has approved the scheme. The site free from trees has been finalized. There is no other suitable non-forest land available in the vicinity.

The Proposal Comprises of the following civil works.

- Pump House – 2 Nos.
- Water Tanks – 11 Nos.
- Distribution Line

The adverse impact of the construction on the environment shall be taken care of. Cut & fill method shall be used for disposal of muck/debris and the rest would be used in filling the embankments of different structures, retaining walls and low lying areas. Thus every care shall be taken to minimize the ill effect on the environment.

LOCATION OF THE PROJECT:
