Sr. No	Observation raised	Reply of User Agency
1	As per Site inspection report uploaded by the DFO, Karsog and Suket in part II, violation of Van (Sanrakshan Evam Samvardhan Adhiniyam, 1980 has been reported but the same is neither substantiated in the report, nor shown at SN 11: Details of violation(s) of part II. Therefore, the State Government is required to clarify regarding this ambiguity and clarify the issue of violation and if there is violation of Van (Sanrakshan Evam Samvardhan Adhiniyam, 1980, this is required to be indicated at SN-11 of part -II along with other action taken by the State Government.	In this regard, it is clarified that the road had been constructed prior to year 1980 and to corroborate the same, user agency PWD has submitted the affidavits of local inhabitants/senior citizens, duly signed by concerned magistrate. The same has been uploaded by PWD against additional information online Part-I at sr. no. 19.
2.	As per record, on 02.12.2011, an area of 3.024 ha, on 09.07.2013, an area of 4.868 ha, and on 16.04.2018, an area of 2.717 ha was already diverted. Thus, a total of 10.609 ha of area has already been diverted for the construction of this road, but there is no mention of these diversions in the part-I in PARIVESH portal. Therefore, the details of proposal seeking prior approval submitted in the past needs to be updated at B-1 of part -I in PARIVESH portal.	The detail of proposal seeking prior approval submitted in the past has not be updated at B-1 of Part-I in PARIVESH portal. However, the copies of the approval has been uploaded against additional information detail in online Part-I and hard copy of the same is attached as Annexure B-I , B-II , & B-III with this reply.
3.	As per the PARIVESH portal, 39 Muck Dumping sites within the forests (3.20 hacs) and near the river Sutlej are proposed. However, there is no detailed muck disposal plan (only a sketchy plan-no drawings, no site details, and no information on how 5,62,695.70 cu mts of unusable	Muck disposal plan with drawing and site detail has been uploaded against additional information detail in online parti-I MMP-Annexure A-I Drawing Annexure A-II

	muck will be stored). Therefore, fresh muck disposal plans (MMP) with all these details is required to be submitted, duly authenticated by DFO concerned.	
4.	As per letter dated 6.9.2023 from PCCF, Wildlife/CWLW, uploaded at SN-8 of the additional information details of part II, the aerial distance of proposed diversion site from the Eco Sensitive Zone of Majathal Wildlife Sanctuary is 0.26 Km and the aerial distance from the proposed Eco Sensitive Zone of Bandli Wildlife Sanctuary is 0.78.Km. It is not clear, if the ESZ is notified or not in both the cases. The CWLW is required to specify clearly, if these two Eco Sensitive Zone are notified by the Ministry as on date or not. In case, the ESZ is not notified, the proposed diversion site will fall within default 10 km ESZ and the CWLW is required to comment regarding applicability of the Wildlife clearance from the competent authority.	The report of CWLW in this regard has been obtained and uploaded by PWD in the additional information of Part I at Sr No. 18. Further, it is submitted that the proposed plan of ESZ around Bandli WLS for its notification was discussed in the recent meeting held on 06.11.2024 under the chairmanship of Inspector General of Forests (WL) (copy attached) and has been agreed upon and will be notified shortly.

The reply has been uploaded in the additional information at Sr no 11 of Part II

This is for the favour of information and further necessary action please.
