

No: PW.CHD.CB.FCA-Sheel Thachali/2024- 6642

Dated: 14/11/24

To

The Dy. Conservator of Forests,
Chopal Forest Division, Chopal,
District Shimla, H.P.

Subject:

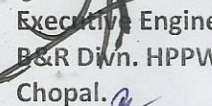

**Diversion of 3.9850 hectare of govt. land for the construction of
Sheel Thachali Soyal Bagna road km. 0/0 to 6/685.**

Sir,

In this connection it is intimated that the shortcomings has been noticed vide GoI, Sub-Office, Shimla (Regional Office, Chandigarh) MoEFCC, CGO Complex, Shivalik Khand, Longwood Shimla, H.P. letter 27.09.2024, has been attended and submitted for favour of further necessary action please.

Sl. No.	Shortcomings raised	Shortcomings attended
1.	In reference of the observation No. 7, REPLY IS NOT ACCEPTED, rectification in the proposed DA KML was sought from State Govt. In reference, to this observation, State Govt. has submitted the revised KML. However, as per the DSS, KML/shape file Area evaluated for the proposed forest land is approx. 4.87 (ha.) (Software generated) instead of 3.265 (ha.). Therefore, State Govt. is required to upload the revised KML with all components in polygon feature (Forest/Non forest/dumping sites etc.).Also, upload the revise DGPS map with correct Lat/Long of all the components) since dumping site latitude-longitude are falling aside instead of on the digitized KML) duly authenticated by DFO.	In reply to this point it is intimated that the revised KML with all components in polygon feature (Forest/Non forest/dumping sites etc.) along with revised DGPS map with correct Lat/Long of all the components) has now been uploaded.

2.	In reference of the observation No. 9, REPLY IS NOT ACCEPTED, justification submitted by State Govt. in reference to 1.1216 ha of Private land is not justified for muck dumping site. As per the Part-I, S.No- B-2.4, apart from the 1.1216 (non-forest), 0.48 ha forest land is still designated for dumping sites. Since there is already Non-forest land is available in the periphery of the proposed diversion area, State Govt may shift the proposed dumping sites into the non-forest land/Pvt. land and submit the details accordingly	In reply to this point it is intimated that the non-forest land which is available in the periphery of the proposed diversion area cannot be provided as the inhabitants of the area have already been donated 1.1216 ha. for the construction of road. It is not possible to donate further 0.48 ha or for single dumping 0.16 ha land (which is bigger in size) by the inhabitant of the area as they have having limited land and they are poor too.
3.	In reference of the observation No. 10, REPLY IS NOT ACCEPTED, State Govt shall upload the legible copy/readable copy of the NoC/Sale deed/Gift etc., for non-forest land acquired from private individuals.	In reply to this point it is intimated that mutation of land of the land donated by the private land owners in favour of this department has been made by the revenue authority. The copy of " <i>intkal</i> " is hereby uploaded against additional information detail in online Part-I now.
4.	In reference of the observation No. 11, REPLY IS NOT ACCEPTED, list of trees enumerated in the proposed width of the road and muck dumping sites was sought from the State Govt. In reference to this observation, State Govt. submitted that, no trees are involved in Dumping sites. However upon perusal of KML, it has been found that in the DS-3 standing trees are visible. Therefore, DFO concerned shall examined the dumping sites and submit the comments with photographs and details of trees, if any.	In reply to this point it is intimated that on perusal to DS-3 there are bushes of big size which are seems to be trees. As per DS-3 there is no tree available. The necessary photographs of the DS-3 is hereby uploaded against additional information detail in online portal.

 Executive Engineer,
 B&R Divn. HPPWD
 Chopal.

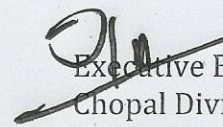

NAME OF WORK :

Diversion of 3.9850 Ha. of Govt. land for the construction of Sheel Thachali Soyab bagna Road Km 0/0 to 6/685 under the Jurisdiction of Chopal Forest Division Distt. Shimla H.P. (Online Proposal No. FP/HP/ROAD/154459/2022).

Observation No.7.

In reply to this point it is intimated that the revised KML with all components in polygon feature (Forest/Non forest/ dumping sites etc.) along with revised DGPS map with correct Lat/Long of all the components) has now been uploaded.
