Sub: Declaration

JSW Renewable Energy (Vijayanagar) Limited (JSWREVL) a group company of JSW has embarked upon setting up Pumped Storage project in Vijayanagar districts of Karnataka.

JSWREVL has identified private owned land parcels which are surrounded by forest, Inam land, Govt. lands which pose different and unique challenges in lay-outing. As matter of fact, Pumped Storage Project layout and transmission lines (for evacuation) is critical for the viability of the project.

In view of the above, we hereby inform and *confirm that the alignment of proposed the Pumped Storage Project (PSP) locations and its components in the forest lands have been arrived at after proper detailed survey on ground and optimization and no major changes in alignment will be sought during execution.*

This for your kind information and records.

Thanking you,

For JSW Renewable Energy (Vijayanagar) Ltd,
