

**LINK ROAD FROM SAILA MATHLA TO LUHANI (0/000 TO 5/205 Km) 3.2808**

**Revised Recommendation**

The requirement of forest land as proposed is unavoidable and barest minimum, and total length of the road is 0/0 to 5/205 Kms out of which. This road will be constructed to provide link to the villagers of Chudana, Saila Mathala and Luhani. The road will cater to the needs of population of about 628 souls and will give a boost to the local economy, hence there is no escape from using the forest land as no other alignment is feasible. Therefore, the construction of **LINK ROAD FROM SAILA MATHLA TO LUHANI (0/000 TO 5/205 Km) 3.2808** is justified in the interest of local people.
