being used by obtaining permission from the present Deputy Commissioner for shifting wooden logs from Kerala Border to our forest during the year 1969, the said road got repaired by me every year at my own cost and enjoying the same. Except the said road there are no any other route to reach my plantation. The road is very much necessary to reach the row houses of living and also to bring manure required to the plantation and shift other articles and for plying the said road is very much necessary and hence it is requested to Hon'ble Deputy Commissioner for issue of permission letter and accordingly the said road is to get surveyed through A.D.L.R with Forest Department jointly and prepare the sketch of the road duly mentioning the extent and for which I request your kindness to accord permission to conduct the joint survey by the officers of your departmental survey unit.

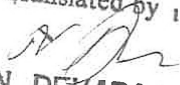

Thanking you,

Yours faithfully,
