HARYANA CITY GAS DISTRIBUTION LIMITED

29th June 2016

To,
Mr. Amit Yadav and
Mr. Bhupender Yadav,
V.P.O. Wazirabad, Sector - 52,
Gurgaon - 122003, (Haryana)

Subject: Letter of Intent for setting up of CNG Filling Station at main Sohna Road at Alpur Village, Killa No. 23/2 in Mustil No. 29 and Killa 3/1 in Mustil No. 40.

Dear Sir,

This is with reference to you Expression Of Interest (EOI) for establishment of CNG Filling Station, dated - 16th May 2016 at the above mentioned location. We are pleased to inform that the company intends to setup CNG Filling Station for supply, sale and distribution of CNG to motor vehicles and to appoint you as a Dealer cum Operator on the following terms and conditions:

1. The setting up of CNG Station at site is on Dealer Owned Dealer Operated basis (DODO).
2. You shall get the CLU (Change of land use) /permission to setup CNG Station for the area measuring Length 50Mtr. X Width 35Mtr. = 1750Sqr. Mtr. (Minimum), done on this plot at yourself and at your cost.
3. Company shall get a firm agreement with you on the acceptance of this Letter of Intent and getting clearance from the Government of Haryana.
4. The agreement will be for a period of 20 (twenty) years from the date of signing of the agreement and the same may be extended for further period of 10 years as mutually agreed in writing.
5. The Operator/party shall operate the CNG Filling Station through technical qualified staff.

22 SEP 2016

NOTARY GURGAON HR (INDIA)

6. All expenses of running of CNG Filling Station will be of operator/party including salary of staff but the expenses of maintenance of equipment installed at the station will be of Company.
7. The operator / party will construct and provide all civil work such as foundations, canopies, electrical rooms, trenches, forecourt, driveway, boundary walls, sales room, signage, pylon (totem), entry / exit signs, hoarding, lighting etc at its own cost as per technical details & design of the company but the cost of equipment installed at the station will be of the company.
8. The service charge for running and operating station on DODO basis will be determined at the time of agreement.
9. The operator / party will get the CLU (Change of Land Use) within 6 (Six) months from the date of signing of this Letter of Intent and after that it shall get terminated automatically unless extended in writing earlier.
10. All the terms and conditions for the setting up of CNG station will be finalized at the time of the agreement.

Thanking you.

Sub: Proposal of access permission to proposed Fuel station of M/s. Haryana City Gas distribution Ltd. at Km 17.940(RHS) of NH-248A in village Alipur, Tehsil-Sohna Distt. Gurgaon in the state of Haryana.

Sir,

Please refer to your letter no. 9602 dated 14.07.2016 submitting therewith a proposal mentioned in subject above for consideration of this office.

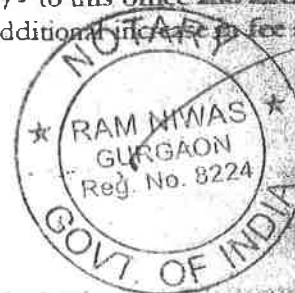

2. The proposal has been examined accepted in-principle by Highway Administration (HA) subject to the following conditions:

- (ii). The issue of final formal permission including issuance of signed license deed would be subject to the certification by EE, Gurgaon that the constructions have been carried out by the owner of property in compliance with the provisions approved by Highway Administration.
- (iii). The validity of the provisional NOC and the subsequent final approval shall be governed by para 11 of the Ministry's circular no. RW-NH-33023/19/99-DO-III dt 24.07.2013, therefore in case the construction is not done in one year, the provisional approval shall be deemed to be cancelled, unless renewed by the Highway Administration.
- (iv). The fresh license deed (duly indicating chainages of both new & old NH no.) in two originals drawn on new stamp paper as per Ministry's standard norms and duly signed by authorized signatory along with his power of attorney may also be furnished at the time of issue of final permission.
- (v). There should be sufficient parking inside so that there is no overflow of vehicles on approach road.
- (vi). Height restrictions of building structure shall be as per local Govt. guidelines.
- (vii). The applicant shall install all the requisite road signs as per IRC: 67 & provide road markings as per IRC: 35 & in accordance with the Ministry's guidelines dated 24.07.2013 to the satisfaction of the EE, Gurgaon.
- (viii). The applicant shall arrange all the clearances required for constructing the proposed access as per approved drawing himself. The applicant shall also arrange for shifting of utilities if required at his own cost as per the direction of the concerned department.
- (x). Regarding traffic safety, EE, Gurgaon shall ensure that proposed service road may not be used for parking purpose.
- (xi). The oil company shall maintain drinking water and toilet facility all time properly.

3. The consultant vide letter no nil dated 25.07.2016 has submitted the requisite license fee (DD no. 955702 dated: 19.07.2016 Indian overseas Bank) amounting to Rs.231525/- to this office and already sent to RPAO for credit in Govt. Account. The applicant needs to furnish the additional increase in fee at the time of final permission.

4. Notwithstanding to the above, the Provisional NOC issued shall stand to be cancelled under the following circumstances:
- (i) If any document/information furnished by the applicant proves to be false or if the applicant is found to have willfully suppressed any information.
 - (ii) Any breach of the condition imposed by the by the Highway Administration or the officer authorized by the Administration on his behalf.
 - (iii). If at any later stage, any dispute arises in respect of the ownership of the land on which the fuel station is located or regarding the permission for change of land use.

The receipt of approved layout plan may kindly be acknowledged

Yours Faithfully,

Nareb
