Office of the Executive Engineer PMGSY (JKRRDA), Division Bandipora

No. PMGSY/Bpr/1909

Dated: - 07/01/2020

MUCK DISPOSAL PLAN
for "Construction of Road from Neeru to Sikender"

The muck expected to be generated from the scheme "Construction of road from Neeru to Sikender Pkg No. JK03-72" comes out to be 18500.00 Cums, while carving the said road. The muck generated shall be mostly disposed as follows: -

- a. Random Rubble Masonry for Protection Works by using stones if any obtained from excavation of the road.
- b. Back-filling of the protection works and bed treatment of causeways.
- c. Shoulder development of the Neeru to Sikender road.
- d. Shoulder development of other adjoining PMGSY roads (L026 to Safaiddaab) which is in progress and others are in tendering stage.

And remaining quantity if any shall be reused in target habitation for BUS Stand Development of the said scheme.

Executive Engineer

PMGSY (JKRRDA) Division

Bandipora.
