CLARIFICATION REGARDING OF EXPLORE THE MUCK DUMPING SITE ON NON-FOREST LAND/PVT-LAND

I, Manoj Kumar Sharma, Executive Engineer, Outer Seraj Division (B&R) HPPWD, Nirmand is hereby undertake that the possibility to shift the dumping site of area 0.8066 hect. To private land form the govt land has been explored on site. The Private land adjoining to the road alignment is cultivated agriculture land and no degraded private land is available, hence local people are not ready to gift the private land for dumping site. The land holding of the public of Janas, Anas, and jungla villages are very limited as the area is hilly and very small patches are cultivated in this hill area. The Local public is depending on the agriculture to make their both end meet. Keeping in view the above facts and reason it is not possible to shift the dumping site to the private land.
