

## RECOMMENDATION

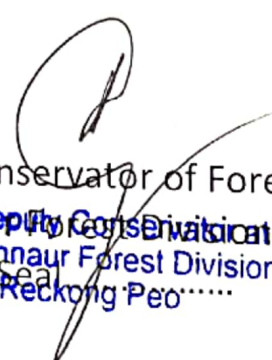

Out of the entire proposed Bhaba Mud Sangnam Atargoo Road, portion KM 0/0 to 7/0 (4.80 Ha) passes through Kinnaur Territorial Forest Division in Distt Kinnaur H.P. The construction of this road reduces the distance from Spiti to Shimla by app 90-100 kms. This benefits the rural population enabling quick transport of agriculture produce apart from connectivity and generating employment. It also reduces transportation cost and increases the economy of the region as it also boosts tourism in the region.

The road proposed is also strategically important from defense point of view as the area falls under international border. Thus the Proposal for construction of this road is quite genuine and in the larger public interest it is hereby recommended to divert the of land of 4.80 ha. from Kinnaur Forest Division for construction of Bhaba-Mud-Sangnam- Atargoo Road.

This proposal for construction of Bhaba-Mud-Sangnam Atargoo Road is hereby recommended
