**Sub: Diversion of 397-16-92 ha of forest land in favour of SJVN Ltd. for the construction of Sunni Dam HEP on Satluj river within the jurisdiction of Shimla, Kotgarh and Karsog Forest Divisions in Distt. Shimla and Mandi of H.P.- Regarding re-submission of online application.**

Sir,

This has reference to the online application for the subject cited proposal and further accepted by your office on dated 25/09/2018 (Proposal No. FP/HP/HYD/31019/2017). In this connection, it is to inform that due to the following un-avoidable reasons, the area of forest land has been revised:-

1. Based upon objections raised by land owners that revenue maps are not legible & further instructions issued by state administration in this regard, some area of land was reviewed as per revenue records & revised accordingly.

2. Some additional land was required for making approach road to Quarry site.

3. Some more land was required for approach road to Dumping yard.

4. Some area of land has been deleted/re-planned which was not necessary for the project.

Due to above, now 41.0502 ha of additional forest land (in various Khasra Nos.) have been added & two avoidable patches of 32.8900 ha have been deleted. This has resulted an increase of 8.1602 ha of forest land & thus the total area of land has subsequently changed from 389-00-90 ha to 397.1692 ha.

Accordingly, the online application is being re-submitted as per changes in the area of forest land in various patches/ villages/ forest divisions etc. for favourable consideration please.

With regards,

Yours Faithfully,

(Er. R.L.Negi)
