The Assistant Executive Engineer,
Koppal Urban Water Supply,
Koppal.

Dear Sir,

Sub: Issue of No Objection Certificate for laying water pipeline.

Govt of Karnataka has accorded the permission to AISL to draw water from TB reservoir. In this regard, we have filed an application for FC to lay pipeline. Our proposed pipeline passes parallel to your existing pipeline, it may criss-cross at few places.

We state that, our pipeline laying work will not disturb your existing line. In this regard, we need a No Objection Certificate from your end to submit to the Forest Department.

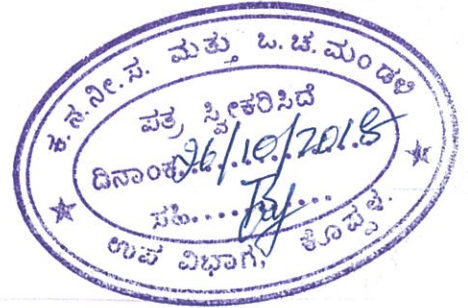

We seek your concurrence in this regard.

Thanking You Sir,

Yours sincerely,

For M/s Aaress Iron and Steel Limited

Sudarshan Prasad I
Deputy General Manager
