i.e. Construction of 400kV D/C Babai (RRVPL) – Bhiwani (PG) transmission Line constructed by
NRSSXXXVI Transmission Limited.

Ref: 1. Our Proposal No FP/RJ/TRANS/28622/2017 dated 12/08/2017.
2. EDS raised by your good office F14 (Trans)2017/FCA/PCCF/EDS –II dated 01/11/2017.

Dear Sir,

In reference to our forest diversion proposal submitted earlier on MoEF portal (Proposal No FP/RJ/TRANS/28622/2017 dated 12th August 2017) for 12.559Ha of forest land in Jhunjhunu Forest division for construction of 400kV D/C Babai (RRVPL) – Bhiwani (PG) transmission Line constructed by NRSS XXXVI Transmission Limited and EDS raised by your end dated 06/10/2017 vide letter in reference, we are hereby resubmitting the revised proposal after complying all the compliance.

The compliance report is as below:

Sl.No	Compliance raised by letter No F14 (Trans)2017/FCA/PCCF/EDS –II dated 06/10/2017	Compliance Report
1	The online application has been made by Syed Sharique Imam whereas attached authorization letter is of Mr. Rajnish Mehrotra, Pramod Sharma and Mr. Sandeep Saklani. Authorization letter need to be attached	Syed Sharique Imam has only applied the proposal on behalf of Mr. Rajnish Mehrotra whereas all the documents are dully signed by Mr. Rajnish Mehrotra whose authorization letter is uploaded on MoEF&CC portal. The 3 person whose authorization are submitted are responsible for uploading any document.
2	Polygon area of KML file do not match with the area applied	A revised KML file has been uploaded on MoEF&CC portal.
3	User agency need to provide the KML file of three alternate routes	We have provided the PDF file on MoEF website. The KML file could not be uploaded on MoEF website while submitting the proposal. We will be providing the KML /Shape file of all three alternate routes along the proposal in an external storage device.

4	FRA certificate have not been provided in the prescribed format available on www.forest.rajasthan@gov.nic.in-departmentalwings-forestconservation-orders & circulars	NRSSXXXVI Transmission Limited hereby undertake that we will provide the FRA certificate from DC by the time it is being forwarded by Conservator of Forest. Undertaking is being uploaded on MoEF&CC website.
5 (1)	There is difference in area calculation in Bar Chart and land schedule	Since the patches of forest land involved are irregular hence we have considered center line as reference in bar chart whereas for Land schedule we have calculated the length based on polygon area and dividing the same by ROW.
5 (2)	User Agency need to provide the GPS coordinates of towers in forest and Non Forest area	NRSSXXXVI have uploaded the file on MoEF&CC portal.

In the context of the above we would request you to kindly consider our proposal for the diversion of 12.559ha of forest land for construction of Babai - Bhiwani Transmission line.

We need your kind support to enable us timely completion of inter-state transmission line project "Babai - Bhiwani Transmission line associated with NRSS XXXVI Transmission Limited as this is an important project. This project is monitored by Ministry of Power, Govt. of India and is a Project of National interest.

Thanking you.

Yours' faithfully
