2. As per section 83 of Punjab Regional and Town planning and Development Act, 1995 (or as amended from time to time), any permission granted shall remain in force in accordance with the terms and conditions of such permission. In case there is any change in Master Plan of the area for which permission so granted, if not availed, shall lapse after a period of two years from the date of notification of such change in the Master Plan.
3. The applicant shall not bifurcate the site and shall develop the site as a single unit.
4. The issue of ownership of land is independent and exclusive of permission of change of land use. Therefore, the permission of C.L.U. does not in any manner grant or affect ownership right of this land which shall be decided by the Competent Revenue Authority. The applicant in whose hand this change of land use lies shall be bound by the decision of such Competent Authority.
5. The applicant shall be responsible for any litigation, if any, regarding land in any court of Law.
6. In case of any controversy amongst the Partners/Directors or any litigation in any Court of law, this office shall in no manner be responsible/party to it.
7. The applicant shall get the Layout, Zoning and Building Plans approved for the proposed area from Competent Authority i.e. Department of Housing and Urban Development under Building Rules 2018 before undertaking any development/construction on the site and shall also get the Building Plans approved from Directorate of Factories under Punjab Factories Rules, 1952. In case any changes are suggested in the building plans by Department of Factories, then the applicant shall get the Revised Building Plans approved from Housing and Urban Development Department also.
8. This permission will not provide any immunity from any other Act/Rules/Regulations applicable to the land in question.
9. The applicant shall obtain any other permission required under any other Act/Law at his own level from any other Department/Authority.
10. The applicant shall obtain NOC from PPCB required under the Water (Prevention and Control of Pollution) Act, 1974, Municipal Solid Waste Management and Handling Rules, 2016 or any other relevant Act before undertaking any development/construction at the site.
