Reference: - Observation Raised Online

Sir,

In reference to Online Observations Raised it is hereby submit that Regarding Environmental Clearance is not applicable upon our project we have already submit in our Forest Undertaking that total covered Area of our Project is 15000 Sq Metre where as Environmental Clearance is applicable if covered area of project is more than 20,000 Sq Metre (Copy of Layout Plan Clearly Reflecting our Project Covered Area is being enclosed herewith). It is further submit that why the department is considering Total Project Site Area for invoking Environmental Clearance. EIA Notification, 2006 clearly reflects that if Covered Area of Project is more than 20,000 Sq Metre than only Environmental Clearance is applicable. Further Observations Reply from Sr No. 2 to 5 is to be submit by your office Online. You are hereby accordingly requested to kindly grant us Permission/NOC of Diversion through forest land on the name of our Partnership Firm.

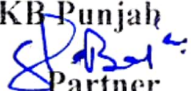

Thanking You
