2. Corporate office Note NO 24585 dated 08.07.2022

With reference to the above subject, vide your letter cited under reference-1, the detailed report & sketch has been forwarded to General Manager(Tech), KPTCL pertaining to issuing NOC for thoroughfare in the existing 110kV corridor as requested by the IIT Dharwad. It is stated that NOC may be issued subject to the following conditions.

1. As per the request of IIT Dharwad, if access to normal thoroughfare in the existing corridor requires any alteration/modification it shall be carried out by IIT under self execution basis.
2. Any activity to be taken up by IIT Dharwad underneath the line or adjacent to the existing line safety measures to be maintained as per CEA regulations.
3. The ROW of 110kV line corridor remains with KPTCL.
4. Further it is also to be noted that not adhering to the above conditions, KPTCL will not be held responsible for occurrence of any untoward incidents.

In this regard, the following additional details are required for verification.

1. The type of towers on either side of the proposed thoroughfare road inside IIT campus.
2. The span length between the towers crossing the proposed thoroughfare road inside IIT campus.
3. Existing clearance between 110kV line and ground in the thoroughfare road crossing span.

4. Vertical clearance between 110kV line and the proposed thoroughfare road inside IIT campus considering the final finished level of the proposed road.
5. Details of any other structure/building proposed beneath the 110kV line corridor.

The above details may be submitted at the earliest for taking further course of action.

Yours faithfully,
