

**Certificate regarding suitability of Compensatory  
Afforestation Land**

This is to certify that the Compensatory Afforestation area over 10.00Ha has been identified in the degraded forest where eradication of prosopis done in Pennagaram Reserved Forest of Hogenakkal Range in Dharmapuri Forest Division. The degraded portion of this area has been inspected by me with the Deputy Inspector General of Forests (Central) on 29-11-2023 and it is quite suitable for raising 500Nos of seedlings / Ha. It is also approachable and manageable on protection point of view. For this purpose, the user agency has given necessary undertaking for payment of cost for Compensatory Afforestation as fixed by the Forest Department.

Hence it is decided to raise the compensatory afforestation plantation in the degraded forest area at Pennagaram Reserved Forest of Hogenakkal Range to achieve optimum survival. Hence, this may be accepted.
