Total Forest land required =			6-08-17	0.5214	

On the basis of said inspection it is certified that land in question is not effected by any burial ground or public water body like spring etc.

The inspection committee has also examined the alternative Sites/routes for the construction of Pump House, Sump well and Pipe line of Source Augmentation & Improvement of LWSS Kathwari & its adjoining villages in GP Bir, Bari Gumanoo, Sadhyana, Sehli, Sai, kashan, Sadoh and Tarnoh Tehsil Sadar Distt. Mandi (H.P).With a view to explore minimum use of forest land for non-forestry purpose. Seeing the site condition and to have lift the water to provide facilities to the people Kathwari, Bir, Bari Gumanoo,

Sadhyana, Sehli, Sai, Kashan, Sadoh and Tarnoh the proposal for the proposed site No-1 seem to be appropriate one as minimum trees are involved and also it being technically feasible.
