

FORM - A

Form for seeking prior approval under section 2 of the proposals by the State Governments and other authorities

PART-I

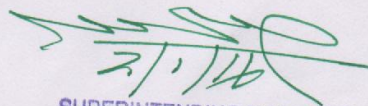

(To be filled up by User Agency)

- 1 Project details: :
- (i) Short narrative of the proposal and project/scheme for which the forest land required .
- The farmers of Korsini, Gangapur, Ravindra Nagar & Burepally villages in Kowtala mandal of Adilabad district have represented to the Hon'ble MLA, Sirpur Assembly Constituency to provide lift irrigation scheme on Pranahitha river, as there is no source of water for irrigation of their lands and the farmers are raising only rain fed crops. Based on the representation of the Hon'ble MLA, the preliminary survey has been conducted and the Hydrological clearance was accorded for utilisation of 109 Mcft of water to irrigate an ayacut of 3995 Acres.
- : Hydrological clearance was accorded by Deputy Chief Engineer, Minor Irrigation Dept. Vide DCE/MI/379, Dt: 13.02.2013 to lift 109.0 Mcft of water for the scheme. The Korsini L.I. Scheme was sanctioned administratively vide G.O. Ms No. 113 dt: 31.12.2013 for an amount of Rs. 4215.89 Lakhs under RIDF-XIX of NABARD programme. The Technical sanction was accorded by the VC & MD Regd. office Hyderabad vide Proc. No. IDC/MD/Tech/RIDF/Korsini-I LIS/13-14/4055 dt: 06.01.2014. Execution of L.I. Scheme works were grounded and the following works are under progress where forest land is not affected:-
- 1) 3.0m dia RCC Intake well.
 - 2) 1400mm dia RCC NP3 class Intake pipe line to a length of 70 mts.
 - 3) 14 mt internal dia Jack well cum Pump House for accommodate 3 nos of 430 HP VT pumps & 2 nos of 200HP VT pumpsets.
 - 4) Pressure main-A is proposed with 800mm dia PSC pipes to a length of 1400mts for discharge of 23.53 cusecs water to irrigate an ayacut of 1365 acres.
 - 5) Pressure main-B is proposed with 1100mm dia PSC pipes to a length of 4900mts for discharge of 45.34 cusecs of water to irrigate an ayacut of 2630 acres.
 - 6) Gravity Mains and Sub-Gravity mains are proposed to irrigate the entire ayacut of 3995 acres .
- The following works to be grounded by crossing through forest lands for which forest clearance is required:-**
- 1) Pressure main-B is to be laid with 1100mm dia PSC pipes to a length of 3158.606 mts
 - 2) Gravity main-VII is to be laid with 355mm dia PVC pipes to a length of 945.821mts .
 - 3) Sub Gravity main-IV/L1 is to be laid with 315mm dia PVC pipes to a length of 766.392 mts

- (ii) Map showing the required forest land, boundary of adjoining forest on a 1:50,000 scale map : Copy of Topo sheet and satellite spot image where the work is proposed is enclosed herewith
- (iii) Cost of the Project : Rs. 4215.89 Lakhs
- (iv) Justification for locating the project in forest area : The Korsini Lift Irrigation scheme is constructed on Pranahitha River in Kowtala Mandal of Adilabad district to extend an ayacut of 3995 Acres to benefit of Korsini, Gangapur, Ravindra Nagar & Burepally villages under the scheme. The land is highly undulated in nature therefore Pressure main- A&B (2 nos) and a network of Gravity mains of 46630 mts are proposed to create an irrigation potential of 3995 acres. **The pressure main-B for a length of 3158.606 mts, Gravity main-VII for a length of 945.821 mts and gravity main-IV/L1 for a length of 766.392 mts are crossing through the forest area of 3.0672 hectares for which the forest clearance is required for taking up the field activities like Earth work excavation and laying & jointing of pipe lines with refilling of pipe line trenches etc.**
- (v) Cost-benefit analysis (to be enclosed) : Enclosed
- (vi) Employment likely to be generated : 30 nos / day
- 2 Purpose -wise break up of the total land required : **3.0672 Hectares in forest area. Break up statement enclosed herewith**
- 3 Details of displacement of people due to the project , if any: :
- (i) Number of families : Not applicable
- (ii) Number of Scheduled Castes/ Scheduled Tribes families : Not applicable
- (iii) Rehabilitation plan (To be enclosed) : Not applicable
- 4 Whether clearance under Environment (Protection) Act, 1986 required? (Yes/No) : Not applicable
- 5 Undertaking to bear the cost of raising and maintenance of compensatory afforestation and/ or penal compensatory afforestation as well as cost for protection and regeneration of safety zone, etc., as per the scheme prepared by the State Government (undertaking to be enclosed). : Enclosed
- 6 Details of Certificates/documents enclosed as required under the instructions. : Enclosed
