15. The cultivable area of Tadla pally village is 144 acres, 33 guntas, here no land has been reserved grazing field therefore an area of 29 acres which is in the enclosure is reserved as Grazing field.

- 15 -

14 may be reserved as Grazing field. The District office has been
advised accordingly.

16. The cultivable area of Gangarai village is 50 acres
10 juntas, but land to the extent of 25 acres has been give as
compensation hence the cultivable area comes to 75 acres 10 juntas
for that at least 12 acres are required for Grazing field,
enclosure of the cultivable area of Gangarai has been created, for
which an area of 31 acres 5 juntas has been taken from S.O.17
included in the R.F. but out of this 31 Acres 5 Guntas, an area
of 25 acres will be given as compensation, only 6 acres 5 juntas will
remain therefore survey of the area was conducted, after giving com-
pensation to extent of 25 acres, a deficit of 3 acres 30 juntas
was found, therefore the line of the enclosure was extent to
compensation the deficit.

17. There is no cultivable area in Devakapally village
therefore there is no need for any grazing field.
