I wish to invite kind attention to the ref 2 cited above. The proposal for seeking permission under Forest Conservation Act, 1980 for formation road from Seenkadu to Alakattu via Erimalai village to a length of 6384.50 m has been returned to revise the proposal with specific remarks which is tabulated below. The shortcomings noted are revised and the details are,

Sl.No	Details of shortcomings	Reply submitted
1.	Physical Verification of the trees enumerated for felling to be done in the Field.	Joint Inspection done with Forest Department and Physical Verification with numbering of around 124 nos of tree enumerated for felling done in the revised alignment.
2.	As in the Alakattu village the population is less, the road width may be restricted to 3m Tarring portion with provision of drainage and curves.	As per the Govt of India Team instructions , The road alignment in the Alakattu portion has been restricted & revised to 3 m width of bitumen topping and provisions of drainage and curves to the total width of the road to 5.00 m. KMLs & Form 1 from the District Collector for the revised extent has been uploaded.
3.	User agency to furnish the undertaking to bear the cost for Mitigation measures done by the Forest Department.	Duly signed undertaking by the Block Development Officer, Pennagaram to bear the cost for Mitigation measures done by the Forest Department has been uploaded.

In this regard , it is requested to kindly process the proposal for getting forest clearance at the earliest.
