UNDERTAKING FOR POSSIBILITY TO SHIFT THE DUMPING SITE TO NON FOREST AREA

I, Rajesh Sharma , Executive Engineer, Outer Seraj Division (B&R) HPPWD, Nirmand is hereby undertake that the possibility to shift the dumping site of area 0.24 hac to private land from the govt. land has been explored on site . The private land adjoining to the road alignment is cultivated agricultural land and no degraded private land is available ,hence local people are not ready to gift the private land for dumping site . The land holding of the public of Shershan, Parlidhar, Chalohan, Dhralijan and Dofati villages are very limited as the area is hilly and very small patches are cultivated in this hill area . The local public is depending on the agriculture to make their both end meet . Keeping in view the above facts and reasons it is not possible to shift the dumping site to the private land
